STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States because the article has attained a reputation heretofore unknown, A few facts upon this point will speak more powerfully than volumeson bare assertions or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half million bottles and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sauction, of the most prominent physicians in those sections of the country where the article is best known, who not only recommended the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpering the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a various ether bihous complaints have counted their victims by hundreds To be able to state advertisement. confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprictors a source of unalloyed pleasure. It removes all merbid matter from the stomach, purifles the blood, and imparts renewed vitality to the nervous systefor giving it that tone and energy indispensable at the restoration of health. It operates upon the domach, liver, and other digestive organs, milaly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Buters daily as per directions on the bottle, and they will find in it a sumulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuverating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There rassing that many of them sink under the trial. The relation of mother and child is so absorbing ly tender, that the mother especially if she be young, is apt to lorget ber own health in her extreme anxiety for her infant. Should the period | pared to render his guests comfortable. of maternity arrive during the summer season. the wear of body and mind is gegerally aggravated. Here then, is a necessity for a stimulent to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodyily strength.

All those persons, to whom we have particularly referred above, to wit; sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all disea-ses or derangements of the stomach, superanuated invalids, persons of sedentary accupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION .- We caution the public against using any of the many imitations of counterfeits, but ask for Hostetten's Celebrated Stomach BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metal-lic cap covering the cork, and observe that our autograph signature is on the label.
