On the 6th inst., GALLITZEN, son of FRANCIS and MARY EBERLY, of Munster township, aged eight months.

On the 1st inst., at the residence of her parents in this place, Miss JANE WILLIAMS, aged about 18 years.

Her immortal spirit took its flight to the spirit land, with the advent of the New Year. Her life was pure and blameless and those who loved her have every reason to hope she is in heaven.

We have seen E. J. Mills' stock of hats and caps which is hard to beat. Mr. Mills is certainly a man of energy and has displayed very good taste in the selection of his goods.

Our neighbour across the way, Geo. Huntley, has just received a new and an additional assortment of Cutlery and Hardware of every description.

As we learn that certain persons still persist in charging J. Patton Thompson Esq., with carrying news to us concerning Barker, we think it right to repeat, that we have no recollection of ever having heard Mr. Thompson mention the name of Mr. Barker previous to the appearance of the paper, in which we asked Mr. Barker, if he had not contended with Mr. Thompson on a certain occasion, in this town, that a Negro was as good as a white man.

Our neighbour across the way, Geo. Huntley, has just received a new and an additional assortment of Cutlery and Hardware of every description.

The greatest blessing of the age, is a discovery of a perfect cure for Rheumatism, Gout and Neuralgia, and the pernicious effects of Mercury, which effected without any inconvenience, or the use of internal medicines. We are satisfied as to its adaptation to these heretofore incurable complaints, and take pleasure in calling the attention of our readers to the advertisement in another column of our paper, of Dr. Leland's Anti-Rheumatic Band.

WOODS HAIR RESTORATIVE.—Among all preparations for the hair that have been introduced as infallible; none has ever given the satisfaction or gained the popularity that Prof Wood's Hair Restorative now has. His Restorative has passed the ordeal of innumerable fashionable toilet and the ladies, wherever they have tested it, pronounce it a peerless article. They find, where the hair is thinned, that it creates a fresh growth—that it fully restores the vegetative power of the roots on the denuded places, and causes the fibres to shoot forth anew—that it dissolves and removes dandruff, prevents grayness, restores hair to its original color when grayness has actually supervened, gives a rich lustre, imparts the softness and flexibility of silk to the hair, and keeps it always luxuriant, healthy and full of vigor.

It is a conveniently arranged Band, containing a medicated compound, to be worn around the Waist, without injury to the most delicate persons, no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines which weaken and destroy the constitution and give temporary relief only. By this treatment, the medical properties contained in the Band, come in contact with the blood and reaches the disease, through the pores of the skin, effecting in every instance a perfect cure, and restores the parts afflicted to a healthy condition. This band is also a most powerful Anti-Mercurial agent, and will entirely remove the system from the pernicious effects of mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in aggravated cases of long standing.

ONLY PREPERATION EXPEL THE DOUBTS OF A LL

For Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore Read the following:—

Oak Grove, S. C. June 24th, 1859. PROF. C. J. WOOD: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test:—

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the road side, from which my head received almost terrible blows, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however up to the time of its total disappearance, I employed everything I could think of, being a professional man myself and, as I thought, and understanding the nature of disease, but was finally defeated in every prescription advised.

These and no other circumstance induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result: two months after the first application, I had a beautiful head of young hair as ever I most sincerely thanks. Rest assured, dear sir, shall recommend your remedy to all inquirers moreover, I shall use my influence, which flatter myself to say, is not a lie. You can publish this if you think proper. Yours, very respectfully, M. J. WRIGHT, M. D.

Office of the Jeffersonian, Philippi, V. Dec. 12th, 1858. Dear Sir:—I feel it my duty as well as my pleasure, to state to you the following circum stance which you can use if you think proper. A gentleman of this place (a lawyer) has been bald ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c., THOMPSON SURGHOIL.
