GREAT CURE. DR. LELAND'S ANTIRHEUMATIC BAND

IS THE ONLY KNOWN REMEDY FOR Rheumatism, Gout and Neuralgia. AND A SURE CURE FOR All Mercurial Diseases. It is a conveniently arranged Band, containing a medicated compound, to be worn around the waist, without injury to the most delicate persons, no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines which weaken and destroy the constitution and give temporary relief only.

Last Monday very unexpectedly turned out to be one of the roughest, stormiest, and driest days of the present winter. In the morning, there was a warm shower, accompanied by thunder and lightning, after which the clouds were spanned by a beautiful rainbow, shortly afterwards the wind increased blowing with great violence.

The stormy North sent driving forth the blinding sleet and snow. We were emphatically a joyless winter day, and we hope we will not see it like again during the present season. Readers if you want to enjoy yourself on such a day procure a book to burn, an old book to read or an old friend to talk to about old times.
