

PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR.

It is precisely what its name indicates, for, while pleasant to the taste, it is revivifying, exhilarating, and strengthening to the vital powers. It also revivifies, reconstitutes and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all. So chemically and skillfully combined as to be the most powerful tonic, and yet so perfectly adapted to us to act in perfect accordance with the laws of nature, and hence soothe the weakest stomach, and tone up the digestive organs, and allay all nervous and other irritations. It is also perfectly exhilarating in its effects, and yet it is never followed by lassitude or depression of spirits. It is composed entirely of vegetables and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure. Such a remedy has long been felt to be a desideratum in the medical world, both by the thoroughly skilled in medical science, and also by all who have suffered from debility; for it needs no medical skill or knowledge even to see that debility follows all attacks of disease, and lays the unguarded system open to the attacks of many of the most dangerous to which poor humanity is constantly liable. Such, for example, as the following: Consumption, Bronchitis, Indigestion, Dyspepsia, Loss of Appetite, Faintness, Nervous Irritability, Neuralgia, Palpitation of the Heart, Melancholy, Hysterical cases, so fearfully fatal if unattended to in time, called Female Weakness and Irregularities. Also Liver Derangements or Torpidity, and Liver Complaints, Diseases of the Kidneys, Scalding or Incontinence of the Urine or any general derangement of the Urinary Organs, Pain in the Back, Side, and between the shoulders, predisposition to Slight Colds, Hacking and Continued Cough, Emaciation, Difficulty of Breathing, and indeed we might enumerate many more still, but we have space only to say, it will not only cure the debility following Chills and Fever, but prevent all attacks arising from Miasmatic Influences, and cure the diseases at once, if already attacked. And as it acts directly and persistently upon the biliary system, arousing the Liver to action, promoting in fact, all excretions and secretions of the system, it will infallibly prevent any deleterious consequences following up on change of climate and water; hence all travelers should have a bottle with them, and all should take a table spoonful at least before eating. As it prevents costiveness, strengthens the digestive organs, it should be in the hands of all persons of sedentary habits, students, ministers, literary men. And all ladies are accustomed to much out-door exercise should always use it. If they will they will find an agreeable, pleasant, and efficient remedy against those ills which rob them of their beauty; for beauty cannot exist without health, and health cannot exist while the above irregularities continue. Then again, the Cordial is a perfect Mother's Relief. Taken a month or two before the final trial she will pass the dreadful period with perfect safety. There is no mistake about it, this Cordial is all we claim for it. Mothers, try it! And to you we appeal to detect the illness or decline not only of your daughters before it is too late, but also your sons and husbands, for while the former, from the delicacy, often goes down to a premature grave rather than let their condition be known in time, the latter are often so mixed up with the excitement of business that if it were not for you they too would travel in the same downward path, until too late to arrest their fatal fall. But the mother is always vigilant, and to you we confidently appeal; for we are sure your never failing affection will unerringly point you to Prof. Wood's Restorative Cordial and Blood Renovator as the remedy which should be always on hand in time of need. O. J. WOOD, Proprietor, 144 Broadway, New York, and 411 Market Street, St. Louis, Mo., and sold by all good Druggists. Price One Dollar per Bottle.

All Mercurial Diseases. It is a conveniently arranged Band, containing a medicated compound, to be worn around the Waist, without injury to the most delicate persons, no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines which weaken and destroy the constitution and give temporary relief only. By this treatment, the medical properties contained in the Band, come in contact with the blood and reaches the disease, through the pores of the skin, effecting in every instance a perfect cure, and restores the parts affected to a healthy condition. This band is also a most powerful ANTI-MERCURIAL agent, and will entirely relieve the system from the pernicious effects of mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in aggravated cases of long standing.
