

Circular from the Cash Store:

The subscriber would respectfully announce to the public that he has just returned from the East with his stock of FALL AND WINTER GOODS, which he will sell, as usual, at a very small advance on cost, FOR CASH ONLY. He is unable to give a price list owing to the daily fluctuations in the market.

His stock is the heaviest and most complete ever brought to the place, and having been purchased at the very lowest cash prices, will be sold at prices which make it to the interest of cash buyers to call and examine his stock, and be convinced that he can and does sell a little cheaper than any credit establishment.

He would call particular attention to his large stock of DRY GOODS, embracing all the latest and most desirable STYLES OF LADIES' DRESS GOODS to be found in the Eastern market. A full assortment of fancy and plain Flannels and Shirtings, large and excellent supply of Linen and Muslins, dozens of patterns of Ladies' and Gent's Gloves, all styles of Hosiery, with the most complete selection of Shawls ever exhibited in this market; any amount of Nubias, Opera Hoods; Ladies' Patent Vests, and a tremendous pile of Austine, Kelly & Co.'s Patent Hoop Skirts, ranging from four to fifty springs, which will be sold at least 25 per cent. under present market price.

Our stock of GROCERIES is complete and selling a few cents below other establishments. Our Syrups range from 40 to 70 cents per gallon. We would invite particular attention to our large stock of Government Coffee, which we sell at 20 cents per lb. It is far superior to any of the substitutes lately invented. We have also a heavy stock of TEAS, ranging in price from 60 cents per pound upwards.

Our stock of CHINA, GLASS & DELPH WARE is the largest, most varied and best ever offered to the people of this section. It is really beautiful. An examination of our "Show Window" must convince all who stop to view it that we are not "pulling" our wares. The China Ware embraces Tea Sets ranging in price from \$12 to \$20. Flower Vases, Mugs and other ornaments. The Glass Ware embraces everything and every style of manufacture. Owing to the late advance we cannot now sell the celebrated Westwood Iron Stone Tea Sets for less than \$4.75 per set, which is \$1.25 below the selling price elsewhere.

I am now fully convinced that the CASH SYSTEM is the best for both seller and buyer, enabling me to sell cheaper, without loss, and giving my customers a better article, and more of it, for the same money, than they get at any other establishment. But argument on this point is superfluous. The reason why I can sell cheaper than credit establishments must be apparent to all, and that I do sell cheaper I can fully convince all who give me a call.

AYER'S

CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and by restoring the regular action to health, correct, wherever they exist, such arrangements as are the first causes of disease.

An extensive trial of their virtues, by Professors Physicians, and Patients, has shown a cure of dangerous diseases almost beyond belief, and the most substantiated by persons of such exalted position and character as is forth the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure. For Constipation.—Take one or two Pills, or such quantity as to gently move the bowels. Constipation is frequently the preparatory cause of "Stomachic" the cure of one complaint is the cure of both. No person can feel well while under a morbid habit of body. Hence it should be, as it can be, promptly relieved.

For Dropsical Swellings, which is sometimes the cause of Catarrhs, and always uncomfortable, take mild laxatives—first one or two Pills, to stimulate the stomach and liver into healthy action. They will do it, and be beneficial, judicious, and safe. The morbid humors will rapidly disappear. When it has gone, don't forget what cured you.

For Pain in Stomach, or Morbid Function of the Stomach, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

For Nausea, Sick Headache, Nausea, Pain in the Stomach, Head, or Side, take from four to eight Pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is full.

For Spasmodic, Catarrhs, and all Diseases of the Stomach, take the Pills freely and frequently, to keep the system open. The morbid humors will gradually be driven out, and the system will be restored to its normal state. Many dreadful ailments and sores have been healed up by the purgative and purifying effect of these Pills, and some dangerous diseases which seemed to threaten the whole system have completely yielded to their influence, leaving the sufferer in perfect health.

Patients who find it difficult to get their bowels to move, should purgative around the waist, with poultices, blisters, leeches, and all or any of the usual remedies of the skin, because your system is diseased.

In Fevers and Pleuris, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of inflammatory diseases will be swept out of the system like chaff before the wind. If this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, and all Bilious Affections arise from some derangement—either torpidity, congestion, or obstruction of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom.
