## Circular from the Cash Store!

The subscriber would respectfully announce to the public that he has just returned from the East with his stock of FALL AND WINTER GOODS, which he while will sell, as usual, at a very small advance on cost, FOR CASH ONLY. He is unable to give a price list owing to the daily fluctuations in the market.

His stock is the heaviest and most complete ever brought to the place, and having been purchased at the very lowest cash prices, will be sold at prices which make it to the interest of cash buyers to call and examine his steck and be convinced that he can and does sell a little cheaper than any

credit establishment. He would call particular attention to his large stock of DRY GOODS, embracing all the latest and MOST DESIRABLE STYLES OF LADIES' DRESS GOODS to be found in the Eastern market. A full assortment of fancy and plain Flannels and Shirting; large and excellent supply of Linen and Muslins, dozens of patterns of Ladies' and Gent's Gloves, all styles of Hosiery, with the most complete selection of Shawls ever exhibited in this market; any amount of Nubias, Opera Hoods; Ladies' Patent Vests, and a tremenduous pile of Austine, Kelly & Co.'s Patent Hoop Skirts, ranging from four to fifty springs, which will be sold at least 25 per cent. under present market price.

Our stock of GROCERIES is complete and selling a few cents below other estab ltshments.-Our Syrups range from 40 to 70 sents per gallon. We would invite particular attention to our large stock of Government Coffee, bought before the late heavy advance, which we sell at 20 cents per lb. It is far superior to any of the sub stitutes lately invented. We have also a The undersigned having opened out a Tai- heavy stock of TEAS, ranging in price from

> WARE is the largest, most varied and best ever offered te the people of this section. It is really beautiful. An examination of our "Show Window" must convince all who stop to view it that we are not "puffing" our ware. The China Ware embraces Tea Sets ranging in price from \$12 to \$20. Flower Vaces, Mugs and other ornaments. The Glass Ware embraces everything and every style of manufacture. Owing to the late advance we cannot now sell the celebrated Wedgewood Iron Stone Tex Sets for less than \$4.75 per set, which is \$1.25 below the selling price elsewhere.

I am new fully convinced that the CASH SYSTEM is the best for both seller and buyer, enabling me to sell cheaper, without loss, and giving my customers a better article, and more of it, for the same money, than they get at any other establishment. But argument on this point is superfluous. The reason why I can sell cheaper than credit establishments must be apparent to all, and that I do sell cheaper I can fully convince all who give me a call. A full stock of boots and shoes.
