...n Leagues--What They Are.

...Cleveland *Plain Dealer*, on the sub-...ject falsely named Union Leagues ...number of which is an *enemy of* ...says:

...a daily paper published in this ...town, that these leagues are or-...ganized to counteract the insidious efforts ...of 'Copperheads.' The Order is to be ...of a military character for the in-...struction of its members in the manual ...and drill of the soldier.' 'The places of ...meeting are to be known as *Barracks*.' ...They are to be a natural arm of defence ...against traitors at home and in the army.' ...Such—your have it. The laws of ...Ohio are convicted of impotency to ...protect the citizen. Free govern-...ment pronounced a failure. Military ...organizations are to be established every-...where. They *are to decide* who are cop-...perheads and copperheads are to be taken ...care of. There it is—a deliberate avowal ...of purpose. A deliberate confession ...that the establishments in the peace-...ful States of the North have failed. A ...public confession of the intent to sub-...vert under the guise of a *Union* society, ...a force of armed men, in lieu of the ...legal authorities.

...Let those foolish wretches if ...they create such a system. Wo unto ...them and their children after them if they ...shall ever under any pretence whatever, ...and under any circumstances whatever, ...attempt to shoot throughout this land ...a blood the revolutionary history ...of 1776. Let bankers, merchants, the ...men, the owners of stone fronted ...houses, tremble when the time comes ...to hold their wealth at the mercy ...of mobs, when, as in the old cities ...of Europe every house becomes an armed ...fort and the laws are powerless. We ...have unutterable contempt, horror and ...detestation for the reckless anarchists who ...deliberately propose or sanction a ...resort to fraud with death to American ...citizens.

...York Notice.—ARRESTED FOR POLY-...GAMY.—Judge Kinney this day issued ...a warrant against Brigham Young, under the ...act of Congress. United States ...Marshal Gibbs served it without the aid ...of a posse. The writ was responded to, ...and defendant personally appeared in ...Court. After a preliminary investigation, ...Judge held him in $2000 bail, which ...was promptly given.

The New York *Tribune*, (Rad'nal) says that nearly half the rebel ...pickets and sentries now along the Rap-...pahannock, at Fredericksburg, are negroes, ...fully armed and equipped.

AYER'S PILLS

Are curing the Sick to an extent never before known of any Medicine.

INVALIDS, READ AND JUDGE FOR YOURSELVES.

JULES HAUEL, Esq., the well known perfumer, of Chestnut Street, Philadelphia, whose choice products are found at almost every toilet, says:

"I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public when they are known."

The Venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854:

"Dr. J. C. AYER—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which cure; and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Co., says:

"Pa. R. R. Office, Philadelphia, Dec. 13, 1853.

"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of West Acworth, N. H., writes:

"Having used your CATHARTIC PILLS in my practice, I certify from experience that they are an invaluable purgative. In cases of torpidity or disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your Cherry Pectoral as the best Cough medicine in the world; and these Pills are in no other behalf to that admirable preparation for the treatment of diseases."

"Acton, Me., Nov. 26, 1853.

"Dr. J. C. AYER—Dear Sir: I have been afflicted from my birth with scrofula in its worst form, and now, after twenty years' trial, and an untold of amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write can only be completed when you realize what I have suffered, and how deep.

"Never until now have I been free from this loathsome disease in some shape. At times it ate and ran my ears and nostrils to the bone, besides the greatest pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly bald all my days; sometimes it came out in my face, and kept it for months a raw sore.

"About nine months ago I commenced taking your Cathartic Pills, and now am entirely free from the complaint. My ears are well, my skin is clear, and my hair has commenced a terrible growth; all of which makes me feel already a new person.

"I cheerfully consent that you may be the means of converting my enemies (that should be good as others, I am, with every sentiment of gratitude, Yours, &c.

MARIA RICKER."

"We have known the above named Maria Ricker from her childhood, and her statement is strictly true.

ANDREW J. MESERVE,
Overseer of the Portsmouth Manufacturing Co."

Capt. ISAIL PRATT, of the ship Marion, writes from Boston, 20th April, 1854:

"Your Pills have cured me from a billious attack which arose from overpowering out of the liver, which had become entirely deranged by the use of any other physic, and from every remedy I could get. I consider that a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best of effect. They were promptly relieved. I recommended them to a friend for costiveness, which had troubled him for months; he took one in a few days they had cured him. Your pills is the best medicine in the world and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known not only in this, but the neighboring States.

"New Orleans, 5th April, 1854.

"Dr. J. C. AYER—Dear Sir: I have great satisfaction in assuring you that your Pills and Family Lave Teeth very much benefited by your medicines. My wife has been severely afflicted with a severe and dangerous cough, by your Cherry Pectoral, and since then has enjoyed perfect health. My children have been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your CATHARTIC PILLS have entirely cured me from a dyspepsia and costiveness, which has given me much trouble for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had tried.

"With warm regards to you, Doctor, like a providential Blessing to our family, and you may well suppose we are not unmindful of it. Yours, &c.

LEAVITT THAXTER."

"Dr. J. C. AYER—Dear Sir: I have made a thorough trial of the CATHARTIC PILLS, in my own case and family, and without a hesitation do say that they were true to the name they bear. They are the best Pills we have ever used, and a few subsequent trials have entirely removed the disease. I feel in better health now, at 60 years of age, than I have for 20 years past. Yours, &c.

LUCIUS B. METCALF."

The above are but a few of the many certificates we are publicly known of, and we only wish we could have room for them all. Our space will not allow it, however, but we assure the public that they were true to the letter.
