BROKEN DOWN AND DELICATE CON-STITUTIONS,

From whatever cause, either in MALE OR FEMALE,

Will find in HOOFLAND'S GERMAN BITTERS, A REMEDY

That will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.

From Rev. J. Newton Brown, D. D. Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, 1 yet know of no sufficient reasons why a man may not testify to the benefits he believes himsely to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson of this city, because I was prejudiced against them for many years. under the impression that they were chiefly an alcoholic mixture I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily, and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore Children, that will be worn daring the Fall thank God and my friend for directing me to the use of them. J. NEWTON BROWN. Philad'a, June 23, 1861.
