HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and wonderful Tonic, corrective and alterative of wonderful_efficacy in disease

of the STOMACH, LIVER AND BOWELS. Cures Dyspepsia, Liver Complaint, Head-ache, General Debinity, Nervousness, De pression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation con tains no mineral of any kind, no deadly botanical element; no fiery excitant: but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and, so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, HOSTETTER'S BITTERS may be relied on as a safeguard.

In districts infested with Fever and Aque, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack, escape the scource; and thousands who neglect to avail themselves of its protective qualifies in advance, are cared by a very brief course of this marvelous medicine.
