Nothing that is not wholesome, genial and restorative in its nature enters into the BITTERS. This popular preparation con tains no mineral of any kind, no deadly botanical element; no fiery excitant: but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants, It is well to be forearmed against disease, and, so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, HOSTETTER'S BITTERS may be relied on as a safeguard.

In districts infested with Fever and Aque, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly saturated with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of HOSTETTER'S to render this Hotel, worthy of a continua-BITTERS.

A REMEDY

That will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.

From Rev. J. Newton Brown, D. D. Editor of the Encyclopedia of Religious Knowl-

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himsely to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture 1 am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NEWTON BROWN. Philad'a, June 23, 1861.

Diseases of Kidneys and Bladder, IN YOUNG OR AGED, MALE OR FE MALE.

DELICATE CHILDREN, Those suffering from MARASMUS, wasting away, with scarcely any flesh on their bones, are cured in a very short time : one bottle in such cases, will have a most surprising effect.

ATTENTION SOLDIERS!

AND THE FRIENDS OF SOLDIERS. We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitter's. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thank ful letters from sufferers in the army and hospitals, who have been restored to health OF TIN, COPPER, AND by the use of these Bitters, sent to them by their friends.
