Those Suffering from BROKEN DOWN AND DELICATE CONSTITUTIONS, From whatever cause, either in MALE OR FEMALE, Will find in HOOFLAND'S GERMAN BITTERS, A REMEDY That will restore them to their usual health.

Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion. From Rev. J. Newton Brown, D. D. Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not test and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NEWTON BROWN. Philad'a, June 23, 1861.

Diseases of Kidneys and Bladder, IN YOUNG OR AGED, MALE OR FEMALE. Are speedily removed, and the patient restored to health. DELICATE CHILDREN. Those suffering from MARASMOUS, wasting away, with scarcely any flesh on their bones, are cured in a very short time: one bottle in such cases, will have a most surprising effect.

ATTENTION SOLDIERS! AND THE FRIENDS OF SOLDIERS. We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends. Should your nearest druggist not have the article, do not be put off by any of the intoxicating preparations that may be offered in its place, but send to us, and we will forward, securely packed, by express.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forewarned against disease, and, so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, HOSTETTER'S BITTERS may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Laughter, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

A General Tonic, HOSTETTER'S BITTERS produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-invigorate and re-establish them.

Last, but not least, it is The Only Safe Stimulant being manufactured from sound and innocuous materials, and entirely free from acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and it may be truly added, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS. Prepared by HOSTETTER & SMITH, Pittsburgh, Pa. Sold by all Druggists, Grocers and Storekeepers everywhere. March 9, 1864.
