schemes are likely to be frustrated. Instead of being provided with employment which will keep them out of the way which so often leads to prostitution, that very provision is made the means of debasing them to prostitutes. And our national legislators support that prostitution out of the public treasury. Will not foreign carpers point at it as another illustration of "Yankee cuteness," that men, who want to enjoy illicit amours, get them so cheap? Instead of paying their kept mistresses out of their own pockets, they billet them on the public treasury. Mr. Chase, if he has the sensibilities that become a genuine man, must feel his checks tingle, when he reflects upon what a use has been made of his department. It was stated that when Mr. Chase began to employ women, the object was to provide for the "widows and daughters of our brave soldiers" How beautifully this promise has been kept!-St. Louis Republican.

UNION OF THE WORLD AND ARGUS. THE WORLD, to which the New York Weekly Argus has been united, has to day five times the aggregate circulation of any Democratic or conservative newspaper. It addresses weekly alone more than 100,000 subscribers and constant purchasers, and reaches at least half a million readers. With the steady increase in circulation which it now enjoys, these numbers will be doubled by the 1st of January, 1864. Nothing less that the only hope of restoring the Union now distracted and divided country, lies in wresting power from the hands of those whose fanaticism has helped to provoke, invite, and prolong the war; and that to accomplish this end, no means is so effective as the diffusion, through able and enterprising newspapers, of sound political knowledge among the working men, the thinking men, and the voting men of the North.

# SARSAPARILLA

SCROFULA AND SCROFULOUS DISEASES.

From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your Sarsapar.

I have sold large quantities of your Saksarau-HLA, but never yet one bottle which inited of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin-

From Rev. Robt. Stratton, Bristol, England.
"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your Sarsaparilla. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your Sarsaparilla. She has been well for some months."

From Mrs. Jane E. Rice, a well known and muchesteemed lady of Dennisville, Cape May Co., N. J.
"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any renef until we tried your San SAPARILLA, which soon completely cured her." From Charles P. Gage, Esq., of the widely-known firm

of Gage, Murray 4 to, manufacturers of enum-elled papers in Nashna, N. H. "I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILIA. It immediately made my face worse, as you told me it might for a time, but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sarsapartilla." Erysipelas - General Debility - Purify the

From Dr. Robt. Sawin, Houston St., N. Y. DR. AYER: I seldom fail to remove Exaptions and Scrafulous Sores by the persevering use of your SARSAPARILLA, and I have just now cared an attack of Malignant Ergsipelas with it. No altera-tive we possess equals the Sansaparnica you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakerian, Ohio.

"For twelve years 1 had the yellow Erysipeles on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars' worth of medicines. The ulcers were so bed that the cords became visible, and the doctors decided that my arm must be appreciated. I become decided that my arm must be ampulated. I began taking your Sarsararilla. Took two bottles, and some of your Pills. Together they have cared me. I am now as well and sound as sarybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your Sarsaparilla in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Kheum, Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tunckhannock Democrat, Pennsylvania.
"Our only child, about three years of age, was attacked by pimples on his forchead. They rapid spread until they formed a loathsome and virule sore, which covered his face, and actually blind sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any ap-parent effect. For fifteen days we guarded his hands, lest with them he should tear open the testering and corrupt wound which covered his whole face. Hav-ing tried every thing else we had any hope from, we began giving your Sarsaparilla, and applying the iodide of potash lotion, as you direct. The core began to heal when we had given the first bottle, and was well when we had finished the second. The and was well when we had finished the second. Sent, under seal, in a plain envelope, to child's eyelashes, which had come out, grew ngain, any address, post-paid, on receipt of six and he is now as healthy and fair as any other. The

> Syphilis and Mercurial Disease. From Dr. Hiram Sloat, of St. Louis, Missouri. "I find your Sansaparilla a more effectual remedy for the secondary symptoms of Syphilis, and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Laurence, Mass., who is a prominent member of the Legislature of Massachusetts. "In. Aven - My dear Sir: I have found your

SARSAPARILLA an excellent remedy for Syphilit, both of the primary and secondary type, and effect-ual in some cases that were too obstinute to yield to either remedies. I do not know what we can em-ploy with more certainty of success, where a power-ful alterative is required."

Mr. Chas. S. Van Liew, of New Brunsweck, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remody or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him. Leucorrhœa, Whites, Female Weakness,

are generally produced by internal Sergiaious Ulcer-ation, and are very often cured by the afterniva effect of this Sarsaparilla. Some cases require, however, in aid of the Sarsaparilla, the skilful splication of local remedies.

From the well-known and widely-celebrated Dr.

Jacob Morrill, of Cincinnati.

"I have found your Sansaranilla an excellent

alterative in discases of females. Many esses of irregularity. Lencorrhea, Internal Ulceration, and local debility, arising from the serofulous diathesis, have yielded to it, and there are few that do not, when itseffect is properly aided by local treatment. A lady, unwilling to allow the publication of ker name, writes:
"My daughter and myself have been cured of a

very debilitating Leucorrhon of long standing, by two bottles of your SARSAPAGILLA." Rheumatism, Gout Liver Complaint, Dyspepsia Heart Disease, Neura gia, when caused by Serafula in the system, are rapidly cared by this EXT SARSAPARILLA.

### AYERS CATHARTIC PILLS possess so many advantages over the other pur-

gatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.
