### OEHOCHAT AND JERITIKE

A ROUGH BEDFELLOW .- There is a story going the rounds of the papers, told of a man in Arkansas, who had been drinking until a late hour at night, and started home in a state of sweet obliviousness. Upon reaching his own premises, he was too far gone to discover any door

SCROFULA AND SCROFULOUS DISEASES. From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPAR-ILLA, but never yet one bottle which failed of the desired effect and full sati-faction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules,

Ulcers, Sores, and all Diseases of the Skin. From Rev. Robt. Stratton, Bristol, England. "I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPAHLLA. My daugh-ter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SAUSAPANILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and muchesteemed lady of Dennisoille, Cape May Co., N. J. <sup>14</sup> My daughter has suffered for a year past with a scraftlang equation, which was very traditione. scrofalous eruption, which was very troublesome. Nothing afforded any relief until we tried your SAR-SAPARILLA, which soon completely cured her.'

From Charles P. Gage, Esq., of the widely-known firm

 of Gage, Murray & Co., manufacturers of enamelled papers in Nashua, N. H.
 "I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable sofiliction. I tried almost everything a man could of both advice and madicine, but without any relief both advice and medicine, but without any relief whatever, until I took your SARSAFARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without are computed of the discrete that I know without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SAUSAPARILLA."

AVER: I seldom fail to remove Eruptions and Scrofulons Sores by the persevering use of your SARSAPARLLA, and I have just now cured an at-tack of Malignant Erysipelas with it. No altera-tive we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio. "For twelve years 1 had the yellow Erysipelas on my right arm, during which time I tried all the cel-ebrated physicians I could reach, and took hurdreds of dollars' worth of medicines. The dicers were so had that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your Pills Together they have cured me. I am new nawell and sound as any body. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament. "I have used your SARSAPARLIA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

Scald Head, Sore Eyes. From Harvey Sickler, Esq., the able edilor of the Tunckhannock Democrat, Pennsylvania. "Our only child, about three years of age, was at-tacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied mitrate of silver and other remedies, without any sp-parent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and lest with them he should tear open the festering and corrupt wound which covered his whole face. Hav-ing tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct.
