STOMACH, LIVER AND BOWELS. Cures Dyspepsia, Liver Complaint, Headsche, General Debinity, Nervousness, Depression of Spirits, Constipation, Colic, Inermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparatica con-tains no mineral of any kind, no deally botanical element; no fiery excitant, but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against discuse, and, so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere. impure water and other external con-s, HOSTETTER'S BITTERS may be relied on as a safeguard.

In districts infested with Fever and Apps, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehet, sion of an attack, escape the scottere; and thousands who neglect to avail themselves of its protective qualities in advance, are caned by a very brief course of this marvelous medicine Fever and Ague patients, after being plast with quinine for months in vain, until fortie saturated with that dangerous alkaloid, are few days by the use of HOSTETTER'S BITTERS.

^a DR. Mr. Chas. S. Van Liem, of New Branswell, N. J., had dreadful ulcers on his logs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more invetente and distrosping than this, and it took several dozen hotdistressing than this, and it took several dozen bottles to cure him.

Leucorrhœs, Whites, Female Weakness, are generally produced by internal Screpulous Ulceration, and are very often cured by the ulterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati, "I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of ir-regularity. Leucorrheen, Internal Ulceration, and local debility, arising from the scrotulous diathesis, here wided to be the other to the scrotulous diathesis. have yielded to it, and there are few that do not, when its effect is properly aided by local treatment." A lady, unwilling to allow the publication of her name, writes.

"My daughter and myself have been cured of a very debilitating Lencorrhead of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout. Liver Complaint, Dys-pepsia, Heart Disease, Neuralgia,

when caused by Scrofula in the system, are rapidly cured by this Ext. SARSAPARILLA.
