Ayer's SARSAPARILLA. THE WORLD'S GREAT REMEDY.

SCROFULA and SCROFULOUS DISEASES. From Emery Edes, a well-known merchant of Oxford, Maine. "I have sold hundreds of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before your community."

From Rev. Robt. Stratton, Bristol, England. "I only do my duty to you and the public, when I add my testimony in favor of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor for her eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dourmouth, Cape May Co., N. J. "My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of condensed papers, New York, N. Y. "I had for several years a very troublesome humor in my face, which grew constantly worse until it became necessary to become an invalid. I immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. Enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood. From Dr. Robt. Savin, Houston St., N. Y. "I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Erysipelas on the face of a young man. We possess equal the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnson, Esq., Wakenau, Ohio. "Erysipelas on my right arm, during which I tried all the celebrated physicians I could reach, and took hundreds of dollars' worth of medicine. The sores were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA, and continued until I was cured. Together they have cured me some of your pills. I feel as if I could not say enough of your medicine. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

From Hon. Henry Monroe, M. P., of Newcastle, C. W., a leading member of the Canadian Parliament. "I have used your SARSAPARILLA in my family for several years, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony, N. Y., Ross, Salt Rhum, Scald Head, Scrofula, Erysipelas. From Harvey Secker, Esq., the able editor of the "Tunkhannock Democrat, Pennsylvania." "Our only child, about three years of age, was attacked by Erysipelas on his forehead. The disease spread until he formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes. I do not know what to do. I tried nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he would tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying it to the sores. It did not cure him, but he began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyes, which had become blind, were again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease. From Dr. Hiram Stout, of St. Louis, Missouri. "I had your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis, and for syphilitic disease than any other I possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts. "DR. AYER—My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what to do, but can employ with more certainty of success, where a powerful alternative is required."

From Chas. S. Van Loan, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy he used, until he was almost blind, and the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhoea, Whites, Female Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the alternative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skillful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Merrill, of Cincinnati. "I have found your SARSAPARILLA an excellent alternative in all cases of Syphilis, Leucorrhoea, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and thus, in many cases, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes: "My daughter and self have been cured of a very debilitating Leucorrhoea of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Head Disorders, Neuralgia, &c., cured by this EXT. SARSAPARILLA.

AYER'S CATHARTIC PILLS possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained to the best it ever has been, and that they may be depended on to do all that they have ever done.

Prepared by J. C. AYER, M. D., & Co., Lowell, Mass., and sold by Dr. R. S. BUNN, Ebenburg, C. T. FRAZER, Johnstown, P. H. SHIELDS, Loretto, and dealers everywhere. June 15, 1864.

HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and wonderful Tonic, corrective and alterative of wonderful efficacy in disease of the STOMACH, LIVER AND BOWELS. Cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Impression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, good and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and so far as the human system can be protected by human means against malarial engendered by an unwholesome atmosphere, impure water and other external causes, HOSTETTER'S BITTERS may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehensions of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being pined with quinine for months in vain, until faintly saturated with that dangerous alkali, are not unfrequently restored to health within a few days by the use of HOSTETTER'S BITTERS.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Indigestion and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Langor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, HOSTETTER'S BITTERS produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-inforce and re-establish them.

Last, but not least, it is The Only Safe Stimulant being manufactured from sound and innocuous materials, and entirely free from acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and it may be truly added, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.
