THE peculiar taint of infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous disease, long living, disordered digestion from unhealthy food, impure air, fifth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children and from children to their issue."

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil or Glandular Swellings, Tumors, Eruptions, Pimples, Blisters and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for sale in every town.

We know the public have been deceived by many compounds of Sarsaparilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL, The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all druggists everywhere. Dr. R. S. Bunn, Ebenburg. C. T. Frazer, Johnstown. P. H. Shields, Loretto, and dealers everywhere. June 15, 1864.

These symptoms, if allowed to go on, which this medicine invariably removes, soon follows Impotency, Fatuity, Epileptic Fits, In one of which the Patient may expire. Who can say that they are not frequently followed by those "Direful Diseases," "INSANITY AND CONSUMPTION." Many are aware of the cause of their suffering. But none will confess the records of the Insane Asylums.

And Melancholy Deaths by Consumption bear ample witness to the Truth of the assertion. The Constitution once effected with Organic Weakness requires the aid of Medicine to Strengthen and Invigorate the System. Which HELMBOLD'S EXTRACT BUCHU invariably does. HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and wonderful Tonic, corrective and alterative of wonderful efficacy in the cure of the STOMACH, LIVER AND BOWEL. Cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Irritation of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, pure and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but is a combination of the extracts of rare and same herbs and plants with the purest and mildest of all diffusive stimulants. It is well to be forearmed against disease and, so far as the human system can be protected by human means against malevolence engendered by an unwholesome atmosphere, impure water and other external causes, HOSTETTER'S BITTERS may be relied on as a safeguard.

In districts infested with Fever and Ague it has been found infallible as a preventive and irresistible as a remedy and, though who resort to it under apprehensions of attack, escape the scourge; and those who neglect to avail themselves of its restorative qualities, in advance, are cured by every brief course of this marvellous medicine. Fever and Ague patients, after being purged with quinine for months in vain, until saturated with that dangerous alkali, are not infrequently restored to health within a few days by the use of HOSTETTER'S BITTERS.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and powerful aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Langour, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from thousands.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented. As a General Tonic, HOSTETTER'S BITTERS produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates restorative and re-establish them.

Last, but not least, it is The Only Safe Stimulant being manufactured from simple and innocuous materials, and entirely free from acid elements present more or less in all the ordinary tonics and stomachics of the day. No family medicine has been so universally, and it may be truly added, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.

Prepared by HOSTETTER & SMITH, Pittsburg, Pa. Sold by all Druggists, Grocers and Storekeepers everywhere. March 9, 1864-ly.
