## SARSAPARILLA THE WORLD'S GREAT RENEDY

SCROFULA AND SCROFULOUS DISEASES.

From Emery Edes, a well-known merchant of
Oxford, Maine.
"I have sold large quantities of your SARSAPAR-

ILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.
"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her cars, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and muchesteemed lady of Dennisville, Cape May Co., N. J.
"My daughter has suffered for a year past with a
scrofulous cruption, which was very troublesome.
Nothing afforded any relief until we tried your SarBAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of enametled papers in Nashna, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your Sarsaparilla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sarsaparilla."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years I had the yellow Eryspeias on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds ebrated physicians I could reach, and took hundrens of dollais' worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Sarsaparilla. Took two bottles, and some of your Pills. Together they have cared me. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all. At 6,00 A.
