Ayer's Sarsaparilla THE WORLD'S GREAT REMEDY FOR SCROFULA AND SCROFULOUS DISEASES.

From Emery Edge, a well-known merchant of New York. "I have sold large quantities of your Sarsaparilla, but never yet one bottle which failed of the best effect on all ailments to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin. From Dr. Robt. Stratton, Bristol, England. "I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your Sarsaparilla. My daughter, aged ten, had a scrofulous humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your Sarsaparilla. She has been well for some months."

From Mrs. Jane E. Rice, a well known and much-esteemed lady of Dennisville, Cape May Co., N. J. "My daughter has suffered for a year past with a scrofulous eruption which was very troublesome. Nothing afforded any relief until we tried your Sarsaparilla, which soon completely cured her."

From Charles P. Gage, Esq., of the village of New York. "I had for several years a very troublesome humor on my face, which grew constant and worse until it disfigured my features and became an intolerable affliction. I tried almost everything that a man could do, but without success. I was told to try Ayer's Sarsaparilla, and I immediately made my face worse, as you told me it might for a time, but in a few weeks the humor cleared up, and my face is as smooth as anybody's, and I am without any symptoms of the disease. I owe it to your Sarsaparilla."

From Dr. Robt. Stratton, Bristol, England. "I have used your Sarsaparilla in a number of cases, and I have just now cured a patient who had a scrofulous eruption on his face, which was very troublesome. I have used your Sarsaparilla in a number of cases, and I have just now cured a patient who had a scrofulous eruption on his face, which was very troublesome."

From Dr. Hiram Scott, of St. Louis, Missouri. "I had your Sarsaparilla a more effectual remedy for the secondary symptoms of Syphilis, than I have ever seen or used before. The profession are indebted to you for some of the best medicines we have."

From Dr. J. French, M. D., of an eminent physician of the Legislature of Massachusetts. "Dr. Ayer—My dear Sir: I have found your Sarsaparilla an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to any other medicine. I do not know of any other remedy with more certainty of success, where a powerful agent is required."

From Mrs. C. S. Van Liew, of New Brunswick, N. J. "I have used your Sarsaparilla in a number of cases of venereal disease, which grew more and more aggravated for years, in spite of every kind of medical treatment. I have used your Sarsaparilla, and I have just now cured a patient who had a scrofulous eruption on his face, which was very troublesome. HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and wonderful Tonic, corrective of alterative of wonderful efficacy in the cure of the STOMACH, LIVER AND BOWELS. Cures Dyspepsia, Liver Complaint, Indigestion, General Debility, Nervousness, Irritation of Spirits, Constipation, Cholera, intermittent Fevers, Cramps and Spasms, all Complaints of either Sex, arising from Bodily Weakness whether inherited or system or produced by special causes.

Nothing that is not wholesome, and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no dangerous botanical element; no fiery excitant; it is a combination of the extracts of the same herbs and plants with the purest and mildest of all diffusive stimulants. It is well to be forewarned against cheap and, so far as the human system is concerned, protected by human means against malevolence, generated by an unwholesome atmosphere, impure water and other external causes. HOSTETTER'S BITTERS may be used as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and those who resort to it under apprehension of attack, escape the scourge; and those who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being purged with quinine for months in vain, will be saturated with that dangerous alkali, and not infrequently restored to health within a few days by the use of HOSTETTER'S BITTERS.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Indigestion. Acting as a gentle and pleasant aperient, as well as upon the liver, also invariably relieves the Constipation superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Headache, Lungers, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from the sexes.

The agency of Bileus-Collie is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented. As a General Tonic, HOSTETTER'S BITTERS produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constipation, Indigestion, Premature Decay and Debility and Deceptive arising from Old Age, it overcomes the electric influence, it cures the excessive stages of all diseases it opens as a delightful invigorant. When the powers of nature are relaxed, it operates re-energizing and re-establish them.

Last, but not least, it is The Only Stimulant being manufactured from pure and innocuous materials, and entirely free from acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally and, it may be truly added, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS. Prepared by HOSTETTER & SMITH, Pittsburg, Pa. Sold by all Druggists, Grocers and Storekeepers everywhere. March 9, 1864-ly.
