Where there is a Will there is a Way.

BY JOHN G. SAXE.

It was a noble Roman, In Rome's imperial day. Who heard a coward creaker, Before the battle say :

"They're safe in such a fortress ; There is no way to shake it-" " On! on! exclaimed the hero, I'll find a way, or make it!"

Is Fame your aspiration, Her path is steep and high; In vain he seeks the temple, Content to gaze and sigh; The shining thrones awaiting. But he alone can take it, Who says with Roman firmness, I'll find a way, or make it!

Is Learning your ambition ? There is no royal road, Alike the peer and peasant, Must climb to her shode; Who feels the thirst for knowledge, In Helicon may stake it, If he has still the Roman will To find a way, or make it!

Are Riches worth the getting? They must be bravely sourht; With wishing and with fretting, The boon cannot be bought. To all the prize is open, But only he can take it, Who says with Roman courage, I'll find a way, or make it!

In Love's impassioned warfare, The tale has ever been : That victory crowns the valiant; The brave are they who win: Though strong in Beauty's castle, A lover still may take it, Who says with Roman daring, I'll find a way, or make it!

The Belfast Riots.

For the records of secturian strife, there are few instances of the display of a more bitter animosity than was exhibited in the bloody riots last autumn in the Irish city of Belfast. The burning of an effigy of O'Connell, in which 4,000 persons participated, was the first exasperating act followed by the destruction of a Romish female penitentiary. For several successive nights these outrages continued, without any effectual opposition from the constabulary force, till at length the Romanists retaliated by assailing a Protestant national school in which more than four bundred pupils were gathered. Thus women and children alternately were the victims of this ignoble contest. For some days subsequent regular engagement with At 12.30 P. M., or on departure of Thro' firearms took place in the streets several Accommodation West. persons being killed or wounded. The At 9.40 P. M., or on departure of Express whole tragedy culminated in an extraor- East and Mail West. dinary scene attending the burial of a Protestant who had fallen before a volley fired at a mob while in violent resistance. As if in defiance, the body was escorted through that part of the city chiefly inhabited by Romanists by 2,000 or 3,000 persons in procession accompanied by a troop of hussars. There were also present members of the constabulary force who joined in the line of march some of from time to time, "by way of bravado." the facts, and whose report is now pubthey did not encourage the rioters, certainly failed to take prompt and efficient | withhim. measures for the preservation of the peace. The recommendations of the commissioners, designed to prevent a repetition of these outrages, is that a detachment of Irish constabulary shall be stationed in Belfast, under the control of a commissioner appointed by the government, and invested with ministerial authority. The principal ringleaders in the

Belfast is a prosperous city of 140,000 inhabitants, three-fourths of whom are Protestants. The preponderance of the latter afforded the best opportunity for recommending their creed to those of an opposite religious faith, but the position seems to have been sadly misimproved. Sectarian hate has seldom been manifested in ways more intolerant, and in the remedial measures since proposed we see nothing calculated to give assurance for the future or to allay the revengeful spirit more than ever liable to break forth with the first provocation. The English Government does not manage riots more skillfully than it did centuries ago. - Journal of Commerce.

SARSAPARILLA

SCROFULA AND SCROFULOUS DISEASES.

From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took the control of the same there has a green the control of the same there has a green the control of the same there has a green there has a green the control of the cont it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.
"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your Sansaparilla. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to eure until we tried your Sansaparilla. She has been well for some months."

From Mrs. Jane E. Rice, a well known and muchesteemed lady of Dennisville, Cape May Co., N. J.
"My daughter has suffered for a year past with a
scrofulous eruption, which was very troublesome.
Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

SAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray \$ Co., manufacturers of enamelled papers in Nashua, N. H.

"I had for several years a very troublesome hymor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipolas—General Debility—Purify the Erysipelas - General Debility - Purify the

Blood.

From Dr. Robt. Saucin, Houston St., N. Y.

DR. Avkn: I seldom fail to remove Eraptions and
Scrofulous Sores by the persevering use of your
SARSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No alterative we possess equals the SARSAPARILLA you have
supplied to the profession as well as to the people. In
From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years I had the yellow Erysipelas on
my right arm, during which the I tried all the celchrated physicians I could reach, and took hundreds
of dollars' worth of medicines. The ulcers were so
bad that the cords became visible, and the doctors
decided that my arm must be amputated. I began
taking your SARSAPARILLA. Took two bottles, and
some of your PILLS. Together they have cured me.
I am now as well and sound as anybody. Being in a
public place, my case is known to everybody in this
community, and excites the wonder of all."

From Hon, Henry Monro, M. P. P., of Nescastle, C.

From Hon. Henry Monro, M. P. P., of Newcastle. C. W., a leading member of the Canadian Parliament.
"I have used your Sansarakilla in my family, for general debility, and for parifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted." St. Anthony's Fire, Rose, Salt Rheum,

Scald Head, Sore Eyes. From Harvey Sickler, Esq., the able editor of the Tunckhannock Democrat, Fennsylvania. Tunckhannock Democrat, Fennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually binded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Sansaparilla, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Diseaso. From Dr. Hiram Slout, of St. Louis, Missouri.
"I find your SARSATARILLA a more effectual remedy for the secondary symptoms of Syphilis, and for syphilitic disease than any other we possess. The profession are indebted to you for some of the

best medicines we have. From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts. "Dr. Ayer - My dear Sir: I have found your

SARSAPARILLA an excellent remedy for Suphilis, both of the primary and secondary type, and effect-ual in some cases that were too obstinate to yield to other remedies. I do not know what we can em-ploy with more certainty of success, where a powerful alterative is required." Mr. Chas. S. Van Liew, of New Brunsweck, N. J.,

had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of Aver's Sarsaparilla relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bot-tles to cure him. Leucorrhæa, Whites, Female Weakness,

are generally produced by internal Scrafalous Ulcer-ation, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAFARILLA, the skilful application of local remedies.

From the well-known and widely-celebrated Dr.
Jacob Morrill, of Cincinnati.
"I have found your Sansapantilla an excellent alterative in diseases of females. Many cases of irregularity. Lencorrhem, Internal Ulceration, and local debility, arising from the scrotulous diathesis, have yielded to it, and there are few that do not have yielded to it, and there are few that do not when its effect is properly aided by local treatment. A lady, unwilling to allow the publication of her "My daughter and myself bave been cured of a very debilitating Leucorrhona of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout. Liver Complaint, Dyspepsia Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this Ext. SARSAPARILLA.
