HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and wonderful Tonic, corrective and alterative of wonderful efficacy in disease of the STOMACH, LIVER AND BOWELS.

Nothing that is not wholesome, equal and restorative in its nature, enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical element, no fiery excitant but is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and, so far as the human system can be protected by human means against ailments engendered by an unwholesome atmosphere, impure water and other external causes, HOSTETTER'S BITTERS may be used on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy, and thousands who resort to it under apprehensions of an attack, escape the scourge; and thousands who neglect to avail themselves of its preventive qualities in advance, are cured by a very brief course of this marvelous medicine.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in case of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Obstruction superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Langour, find prompt and permanent relief in the Bitters. The testimony on this point is most conclusive, and from vast numbers.

Prepared by HOSTETTER & SMITH, Pittsburgh, Pa. Sold by all Druggists, Grocers and Store keepers everywhere.
