EBENSBURG, MARCH 1, 1866.

RATIFICATION MEETING.

At a meeting of the Democratic County Committee, held at the Court House in Ebensburg, on Friday the 26th of January last...

Resolved—That the Democracy of Cambria county hold a ratification meeting at the Court House in Ebensburg, on Wednesday the 7th of March next...

In pursuance of which, a meeting will be held at the Court House, in Ebensburg, on Wednesday evening, March 7th 1866, at 7 o'clock, at which time and place measures will be taken to show the approbation of the people of the nomination for Governor, and of the Reconstruction Policy of President Johnson.

All conservative men are invited to attend. By order of the Committee. G. W. OATMAN, Chairman. Ebensburg, March 1, 1866.

Dr. S. Belford, is at present in town on professional business, and will remain this week and a part of next.

The March Term of our County Court commences on Monday next, the 5th day of March.

Special attention of Merchants and others is invited to the card, in this issue of Howell & Bourke, Manufacturers of Wall Papers, etc., etc.

The new Bank having taken possession of the office formerly occupied by Wm. H. Sechler, Esq., he requests us to state that he can hereafter be found in the Commissioner's office.

After the first of April next, the Democrat and Sentinel office will be removed to the brick building on the corner of High and Centre streets, now occupied by Thomas Callen, immediately west of Mr. Moore's hotel.

We have the best of authority for stating that the Johnstown correspondent of the Alleghenian was misinformed in regard to his statement, last week, that Joseph Moore was executed on the gallows in Chicago, for an offence similar to the one he committed in this county some three years ago.

Prisoners indebted to us for subscriptions, &c., who may have occasion to visit town next week, should not fail to call and pay the amounts of their bills. Our terms of subscription are, two dollars per year if paid in advance, \$2.50 after six months, and \$3 at the end of the year. All subscriptions must be settled at the expiration of the year.

A QUEERY—"At what hour did the devil make his appearance in the Garden of Eden? Some time during the night. He certainly came after Eve." A friend on hearing the above remarked that it might be correct, but stated that when he wanted to purchase cheap Dry Goods or Groceries, he went at proper business hours to the store of V. S. Barker, in the room formerly occupied by E. J. Mills & Co. The stock on hand at this establishment is an extensive one and is being sold on reasonable terms.

The Republican members of the Maine Legislature, in caucus on the 21st ult., passed resolutions endorsing their Senators in voting for the Freedmen's Bureau bill over the President's veto.

The Government barracks at Chattanooga, with their contents, were burned recently.

TO CONSUMPTIVES. The advertiser, having been restored to health in a few weeks by a very simple remedy, after having suffered for several years with a severe lung affection, and that disease, Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge) with the directions for preparing and using the same, which they will find a SURE CURE for CONSUMPTION, ASTHMA, BRONCHITIS, COUGHS, COLDS, and all Throat and Lung Affections. The only object of the advertiser in sending the Prescription is to benefit the afflicted, and spread information which he covets very much to try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription, FREE, by return mail, will please address Rev. EDWARD A. WILSON, Williamsburg, Kings Co., New York Feb. 1, 1866-ly.

ADMITTED TO HIS SEAT.—Alexander Coffroth, Democrat, was given the contested seat in the House of Representatives on the 20th ult., for the Sixteenth Pennsylvania District, by a six majority. Thaddeus Stevens made an earnest speech against him, but like most of this gentleman's late efforts, proved abortive.

Fifteen Years Ago.

HOSSETT'S STOMACH BITTERS was struggling into notice against the prejudices which everything new, however excellent, is doomed to encounter.

It stands at the head of all the tonic and alterative preparations in existence. Its celebrity has evoked many imitations but no rivals. Physicians pronounce it the ONLY SAFE STIMULANT that has ever been introduced into the sick chamber.

In the Hospitals of the Army and Navy, the surgeons find it the very best tonic for convalescents, and report it as invaluable for sustaining the vigor of troops on the march, as a remedy for fever and all scorbutic affections, and as the only specific for sea sickness. California and Australia have emphatically indorsed it as the MIXER'S MEDICINE par excellence, and in Spanish America and all the tropical climate, it is considered the only reliable antidote to epidemic fevers.

There is no mystery about the causes of its success. It is the only stomachic and alterative in which are combined the grand requisites of a mild, pure, and unvitiated vegetable stimulant, with the finest selection of tonic, antiscorbutic, antiscorbutic, aperient, and depurative herbs, plants, roots, and barks that have ever been intermixed in a medicinal preparation.

The Bitters has this distinctive quality, which is not shared, it is believed, by any tonic, tincture or extract in the world; they do not excite the pulse, though they infuse a wonderful degree of vigor into the nervous system, and strengthen and sustain the whole physical organization.

It is also proper to state that the Bitters are sold exclusively in glass, and never under any circumstances by the gallon or in the barrel. Impostors and imitators are abroad, and the only safeguard the public has against them is to see that the Bitters they buy bear the engraved label and note of hand of Messrs. Hostetter & Smith, and the government stamp over the cork of the bottle.
