☞ The $500 reward offered by the Commissioners of this county, for the arrest of Boser and Howser, the murderers of Polly Paul and Cassie Munday, have been paid over to officer Hague, Chief of the Pittsburgh Police, who was mainly instrumental in arresting the criminals.

☞ All persons, whether in town or country, having an unoccupied space around their dwellings, should improve it by planting either fruit, shade or ornamental trees.

SEASONABLE ADVICE.—Prune your vines, shrubbery and trees.

An Immense Emigration.

An immense emigration will pour down into the Southern States with the restoration of peace. Thousands of southern refugees, from all the towns and cities of the North, will return home: thousands of patient soldiers will move in the same direction, and settle, in the closest bonds of union, among their southern brethren; and, in obedience to the laws of demand and supply, thousands of northern farmers, mechanics, and laborers, will swell the mighty volume for the repeopling and rebuilding the waste places of "the sunny South." In anticipation of this grand diversion of the tide of emigration, and from the increasing demands upon them, the proprietors of HOSTETTER'S CELEBRATED STOMACH BITTERS are putting up additional thousands of boxes of their universally popular tonic and alterative.

We have the testimony of soldiers, sailors, travelers, trappers, miners, emigrants, refugees, farmers and planters, North and South, to the virtues of "Hostetter's," that as a safe and reliable remedial agent, and as a protection against all the complaints incident to exposure, privations, changes of climate, diet, water, and habits of life, HOSTETTER'S BITTERS, used as directed, are worth their weight in gold, North or South.—[Communicated.]

It is also proper to state that the Bitters are sold exclusively in glass, and never under any circumstances by the gallon or the barrel. Impostors and imitators are abroad, and the only safeguard the public has against them is to see that the Bitters they buy have the engraved label and note of hand of Messrs. Hostetter & Smith, and our proprietary stamp over the cork of the bottle.

☞ THE LANDS OF THE COMPANY consist of Twelve Hundred acres, at Reno, on the Allegheny river in Venango county, Pennsylvania—*the heart of the Oil District in that State.*

ONE THOUSAND WELLS

CAN BE SUNK UPON THE PROPERTY WITHOUT INTERFERENCE.

Test wells have been sunk on the Estate, and Oil found in paying quantities in every instance. FIFTY WELLS are now being put down to be followed by others as rapidly as possible to the extent necessary to *fully develope the property.* One hundred wells yielding only ten barrels a day each at six dollars a barrel, a price much below the average price at Reno, would give one million eight hundred thousand dollars a year of income, making a profit of probably fifteen per cent. over expenses and taxes of every kind. If large flowing wells are found, *a single acre of the territory may yield the entire capital within two years.*

☞ The Company owns the town of Reno, together with Several Hundred Lots for Business and Dwelling Houses. There is an Extensive Demand for them, and the Revenue from their Sale will be very great.

THE STOCK IS GUARANTEED.

The price of the Stock has been fixed at ONE HUNDRED AND FIVE DOLLARS per Share. Five Dollars go into the Treasury of the Company as a Contribution to the Working Fund. *The Par Value of the Stock, One Hundred Dollars, is paid to the Trustees to be Deposited in the Treasury of the United States, or Invested in Government Securities, AND MAY BE WITHDRAWN BY THE STOCKHOLDER AT ANY TIME.*

By the Payment of Ten Dollars, persons that desire to await the Result of the Frst Year's Development, can Secure the Right of obtaining A FULL PAID SHARE OF GUARANTEED STOCK for One Hundred Dollars Additional, at any time before the First day of April, 1867. ☞ It is an investment with the Chances of Large Profit and *is always convertible into CASH at Par.* It might be called
