

A FACT THEY DARE NOT DENY.—We noticed several weeks since, the fact that Congress had considered one bill that expressly referred to the white man. It may be news to many to know that it has passed another. The last one is to improve a fine not exceeding \$1,000, and imprisonment not exceeding one year, upon any white man who shall deprive any negro of the right of marrying his daughter, or any wench the privilege of taking his son. Infamous as this may seem, yet it is a fact, and we dare any supporter of Sumner, Stevens or Geary to deny it. Let the white men of the country remember this. An act, such as we have stated, has passed both Houses of Congress, and every Abolition journal in this State endorses it. Are men, in whose veins flow the proud blood of the Caucasian, willing to submit to and support such a horrid outrage upon their race and upon common decency? Are they willing to support a party that endorses such miserable, such detestable acts? The party now in power does. Their party editors know it, their party speakers know it, and we dare them to deny it.—Watchmen.

WHICH WILL YOU DO.—You men of the Republican party, we mean who have uniformly declared that you are opposed to negro suffrage. Now that the Republican party stands committed by the vote of their Representatives in Congress in favor of negro suffrage, what will you do? Will you swallow your word, and vote with the party which has betrayed you, or will you come out from the foul party, identify yourselves and vote with those who are open and undisguisedly against negro suffrage, and in favor of sustaining the President of your choice in his patriotic efforts to maintain and defend the Constitution, restore the Union, and peace, harmony, and prosperity to the country? The issues are before you, negro suffrage disunion on the one side, and a white man's government, the Union and the Constitution of Washington and his copartners on the other. Which will you do?

It is said that nearly as many persons as can be accommodated in Ebersburg, have already engaged rooms and boarding for the approaching warm weather.

HANDSGME WALL PAPER. There is no one thing that so much improves a house as handsome and neat wall paper. Its cost is cheap, even the most expensive kind, compared with other articles of ornament, and its effect is always excellent. The manufacture of wall paper has made such progress within the past few years, that there appears to be no end to the variety and beauty of the different styles. We are led to these remarks by an examination of the large stock of Wall Papers now for sale at V. S. Barker's Store, on High street. He has brought to this town a most complete assortment, and no one can fail to be pleased by the great variety of the designs, patterns and qualities. Mr. Barker has made arrangements for a large spring trade in that line, and there are few establishments in the large cities where the purchaser will have a better stock to select from.
