### For Every State a Star.

Air-" BONNIE BLUE FLAG"

Come all good Union Democrats And join the column strong, That moves for Law and Liberty Against the tyrants' wrong; We'll have no broken Union, boys, No Poland in the South, Nor Ireland ruled by iron hand,

No padlock on our mouth. Hurrah! Hurrah!! for Liberty, hurrah Hurrah for our country's flag. And on it every star!

Thad. Stevens rage and roar, And Sumner in the Senate scowl, And Wade his curses pour. Our banner is the flag that bears For every State a Star; And death to the Disunionist Its symmetry would mar. Hurrah! Hurrah! for Liberty &c.

Disunionists may rant and howl,

Our Union's that of all States-From Maine to Oregon, From Lake to Gulf, the sisterhood Of Thirty-six in One. O! who would strike a Single State From out the Glorious Band?

Accursed be his traitor heart, And palsied be his hand! Hurrah! Hurrah! for Liberty, &c.

Oh!! who would blot a single Star From out the good old flag. Or call it Greely like, a lie," And 'hates' polluted rag!"
The sacrificial blood that flowed The Union to restore Appeals for that true flag that bears

For every State a Star. Hurrah! Hurrah! for Liberty, &c. -The Climber.

### The Intimidation Game. Bogue Deserter Lists in Preparation.

We understand that the Disunion managers have given orders to the State printers that they must have the lists of Deserters and Non-reporting Drafted men ready for distribution in two weeks. The printers are accordingly working day and night to get them done. Some time ago we stated that the regiments were esti-SAND! There is strong reason to believe this, from the fact that the lists have been in the hands of the printers long enough to have been printed weeks agoif containing no more than 30,000. Even though there may be 60,000, time enough has elapsed to have had them printed now and ready for distribution. We believe the delay to be intentionaldesigned to give the accused no time to prepare proof and hunt up witnesses!

But there is a more serious rumor abroad. It is said that, since the lists were first prepared, there have been added the names of thousands of Democrats would be one-sixth of all the Pennsylvania soldiers in service during the whole war. It is not possible that one soldier out of every six deserted from service. Nor is it probable that there was one deserter for every twelve men. The names of persons who were never in service have been added principally in localities where Disunion election officers preside, so that, unless the accused may be able to furnish proof, at a moment's notice, that they were never in service, their votes can be rejected. The mere publication of such names upon the lists, it is calculated, will secure the election officers from punishment afterwards. There is but little doubt that this desperate Disunion game is going on. The

of the lists is strong proof of the fact! To checkmate this desperate game of the Disunionists, we hope Mr. Wallace, Chairman of the State Central Committee will at once issue a circular to the election warning them against rejecting the ballot

franchisement in that way that the Demo- | diers." cratic State Central Committee of Pennsylvania will assume the responsibility and expense of conducting the legal proceedings in every court, from the lowest to the highest, necessary to secure to into the valleys of poverty and sorrow, them their rights and to right their where weary and way-worn pilgrims are wrongs !- Patriot and Union.

John Chinaman's Soliloquy.

A moon-eyed Celestial, with chop-stick in hand, sat eating the rice of his dear native land; when ceasing at length his belly to fill, he commenced with himself on the Civil Rights Bill. "No more eatee licee, no more eatee rat; me Merican man, and musn't do that. Me votee, me swear and do what I will, for such is the law of the Civil Rights Bill. No more huntee hole, nor hide like a micee, when taxman he come a hunting for licee; for Merican Congress say John Chinaman, is good as a nigger or any white man. Me likee be Judgee, me likee white wife; then Chinaman happee the rest of his life. Me wantee big office whenever me vote; me wantee plug hat and long Shanghai coat. John Chinaman Merican, say what they will, for such is the law of the Civil Rights Bill. John twisted his pig-tail and looked at his clothes, wide opened his mouth and grew red at the nose. He felt a contempt for the pick and the drill, since Congress had passed the Civil Rights Bill. But after reflection John broke out anew, as if he'd resolved what course to pursue. Me no likee nigger, the Chinaman said; he no Merican man, with his woolly black head. Me kick him, me lick him, me hit and success and popularity of WHEELEZ & WILme spankee, for John Chinaman is son's FAMILY good as a Yankee. Me no likee any who don't likee plan, to give vote and oath to John Chinaman. Me likee Charles Sumner: me likee Thad. Stevens; for they are content to take Chinaman's leavings. ### What a Hero!

The reporter of the Express, speaking of the Abolition Mass Meeting at Reading, on yesterday, calls General, Geary the "hero of eighty-four battles! Shades of Frederick the Great, of Napoleon and Ney, of Wellington, of Washington and Scott, of Taylor and Worth, of Grant and Sherman, hide your diminished heads in the presence of this greater conqueror than the Macedonian madman or Julius Cæsar! The latter, it is said who were never in service, and were by historians, only fought fifty pitched never drafted! Sixty thousand names battles, and became the ruler of the vast Roman Empire; whilst Alexander contended for the mastery on still fewer fields of blood, and then sat down and wept because he could find no more worlds to conquer. But Major General John W. Geary, Abolition candidate for Governor of Pennsylvania, will take rank in history as the greatest hero of ancient or modern times, and his name will be heralded through all coming time as the most stupendous warrior that ever drew a sword on the face of the globe! Vive la Geary! Vive la the "hero of eighty-four battles!!" Vive la humbug!!!

THE Lake City "Leader" is responsible for the following story: At a meeting of the patriotic ladies and gentledelay in the preparation and distribution | men of Lake City, to prepare for the soldiers' festival lately held in that enterprising town, a young attorney present was requested to fine out who would supply the milk for the dinner. Jumping up on a chair, he loudly asked: "How many officers, defining their powers and duties ladies here will give milk for the brave under the election laws of the State, and soldiers?" to which an elderly lady responded, that for one, she could not-she of any man whose name may be upon had not given milk for ten years; which those lists, no matter whether he be a De- | so utterly confounded the young lawyer serter, Non-reporting Conscript or not! that he was entirely unable to prosecute We hope that he will also instruct the his inquiry, and it has never been satispeople to secure witnesses against all factorily known how many ladies there election officers who may reject such bal- were at the meeting who would have lots, and assure all who may suffer dis- promised "to give milk for the brave sol-
