STATE TICKET.

FOR GOVERNOR. HESTER CLYMER.

DISTRICT TICKET.

CONGRESS. ROBERT L. JOHNSTON, Ebersburg.

COUNTY TICKET.

ASSEMBLY, Col. JOHN P. LINTON, Johnstown.

REGISTER AND RECORDER, JAMES GRIFFIN, Johnstown borough.

ASSOCIATE JUDGES, JAMES MURRAY, Ebersburg borough.

GEORGE W. EASLEY, Johnstown.

COMMISSIONER, JOHN FERGUSON, Blacklick twp.

POOR HOUSE DIRECTOR, HENRY BYRNE, Carroll township.

CORONER, THOMAS M'BREEN, Ebersburg boro.

AUDITOR, D. A. LUTHER, Carroll township.

Our Candidates.

At the head of our ticket stands the name of Hester Clymer, the Democratic candidate for Governor. Mr. Clymer is deservedly in favor among his party adherents and even the better sort of his political opponents...

For Congress we have R. L. Johnston, who is acknowledged by the Radical press of the District to be the strongest man the party could put in the field. Mr. Johnston is in every manner qualified for the position to which he will be elected on next Tuesday.

A Victory.

The gallant little territory of Montana sends greeting to Andrew Johnson. Maine is indignantly rebuked. The Radicals find no foothold in Montana. The Democratic ticket is successful by 2,000 majority.

The corn crop of Pennsylvania, this year is estimated at 22,000,000 bushels.

Colonization.

The Radicals are straining every nerve for the purpose of carrying the election in this district. Hundreds have been imported from other States and adjoining counties by the "chief of the faithful," who is very anxious to go to Congress in order that he may come under the new bounty bill and receive his \$10,000 bounty for services which will never be rendered.

We write, not for the purpose of injuring D. J. Morrell. If he is elected under such circumstances, we hope he will amply repay the men who were kind enough to come into this district for the purpose of securing his election; but we must say that it is a hopeless cause that requires such a scheme as this.

Butler.

PICAYUNE BUTLER GETS HIS BACK UP.—A Radical correspondent of the Cincinnati Commercial, who claims to have been behind the curtain, indulges in the following gossip relating to Ben. Butler: "General Butler was announced to speak at a grand ratification meeting to-day, but when the time came he had nothing to say."

Again: "General Banks spoke from the main stand, and after he had got fairly started, Butler came along and found himself obliged to run a side show. It was evident that he didn't like this. He spoke scarcely a hundred words, remarking that he thought the people of this region were all right, and didn't need to be talked to, and then retired gracefully, much to the disappointment of his auditors, who shouted themselves hoarse in a vain effort to secure his reappearance."

A Victory.

The gallant little territory of Montana sends greeting to Andrew Johnson. Maine is indignantly rebuked. The Radicals find no foothold in Montana. The Democratic ticket is successful by 2,000 majority.

Mr. Thomas Clark of the Mansion House, Pittsburg, paid our town a flying visit last week. Tom looks well and we have no doubt feels well also. Some person informed us that he visited our town for the purpose of procuring a female partner in an established business. Of course we didn't believe it.

The Tickets.

How They are to be Voted--Read This Carefully.

The Legislature last winter passed a law which changes the manner of voting. All State officers voted for will be voted on one slip, labeled "State;" all judges voted for will be voted on one slip labeled "Judiciary;" all County officers and members of Congress, Senators and members of the Legislature voted for, will be on another slip, labeled "County;" which divides the ticket, at the present election into three slips.

STATE.

Governor, HESTER CLYMER.

JUDICIARY.

Associate Judges, JAMES MURRAY, GEORGE W. EASLEY.

COUNTY.

Congress, ROBERT L. JOHNSTON.

Assembly.

JOHN P. LINTON.

Register of Wills, Recorder of Deeds and Clerk of the Orphans' Court, JAMES GRIFFIN.

Commissioner.

JOHN FERGUSON.

Poor House Director.

HENRY BYRNE.

Coroner.

THOMAS M'BREEN.

Auditor.

D. A. LUTHER.

The ticket must be cut apart at each of the wide spaces, with the words "State, Judiciary and County," folded out.

Facts.

The man who votes for John W. Geary, votes for a Colonel who hid in a ditch at Chapattepe, and left his men to fight without a commander, the man who votes for Geary votes for a Colonel who ran away at the battle of Cerro Gordo, and left the major of his regiment--now General William Brimley, of Muney--to take charge of his men.

The man who votes for Geary votes for a General who hired his army correspondent to report that he had fought a terrific battle at Snickersville--lost his arm, and the Lord knows what all--and gave the "rebs" a fearful thrashing--when there was not a confederate soldier within a two days' march of him.

Attention!

The people should remember that a law was enacted last winter authorizing Election Boards to close the polls at 6 o'clock. This is another dodge to keep the laboring classes from voting. A poor man cannot well afford to lose a half a day to vote and perhaps receive his "walking papers" for not completing his days work.

To the Polls.

See that every vote is out on next Tuesday. It is necessary for the success of our candidates that a full vote should be polled. Remember that we have to contend against fearful odds--not in numbers but in wealth and knavery. Our facilities for importation are not equal to that of our opponents, and if they were, we would prefer to see our candidates defeated rather than to be elected in such an illegal manner.

Watch them; see that no niggers are "white-washed" for this occasion and then--John Geary and Morrell may their hopes for a trifling sell, for an office they'll ne'er smell, this side of the halls of hell where the "wicked" cease from troubling and the "weary" are at rest.

Read This!

Democrats remember that it takes but three votes in every district to elect Hester Clymer Governor of Pennsylvania. Only three of a change in each district and the Democratic ticket will be successful. Labor for it then and not only produce a change of three votes, but a change of three dozen if it can be accomplished.

The black States are getting blacker. Vermont and Maine, where one half the people don't know what a negro is and the other half believe in "spooks" have given large Radical majorities. They have been doing this from time immemorial. But the white States are getting whiter. Kentucky, California and the west end territories, voted largely in favor of the Democrats and Conservatives.

A Dialogue.

Son--Father how much money do you make in a year? FATHER--About eight hundred dollars, my son. S--And you work every day? F--Every day except Sunday, my son. S--Well, father, how much does a Congressman get? F--They used to get \$3,000 a year, but they raised it to five thousand last month. S--Well, does a member of Congress have to work every day? F--Oh, no, my son. There are two sessions of Congress in two years--a long and a short one. Now if you remember your mental arithmetic that you learn at school, you can tell just how long a Congressman has to work. How many days are there in a month? S--Thirty. F--Well, the long session began on the 4th of December, 1865, and lasted till the 23 of July, 1866. How long is that? S--232 days. F--Now take from that two weeks for Christmas holidays and how much does that leave? S--218 days. F--Well the short session next winter is only 90 days by law. How much are 90 days and 218 days? S--308 days. Is that all they have to work in two years? F--That is all, my son. S--And then two years' pay is \$10,000. Let's see, 308 into 10,000--Why that is \$32 and 46 cents a day pay. F--You are quite right son, you will make a good scholar.

The reason why Justice Chase can't try Jefferson Davis is because he is about to try matrimony. Widow Eastman, of Massachusetts, is said to be the first case on the docket.

Correspondence.

At Home, Oct. 1st, 1866.

Mr. Editor:--In perusing your paper, I find that you have seen proper to insert No. 1. of a lesson learned from the "consistent Vermonter." After having invested their idea of the Government being invested in the President, to the shame and infamy of the very same party which today cannot find language infamous enough to express their hatred of the chief magistrate of the United States.

Old "Vermont" continued to pour forth the truth thus:--"I have been to Congress; I read the leading papers of all parties; try to discern impartially the tendency of public affairs. In '61, the "Rump Congress" passed a resolution that the war was waged for the sole purpose of restoring the Union; then men of all parties eagerly rushed to the rescue; but no sooner was there a large army in the field, than it was made to serve a political purpose more effectually (for a time) than the restoration of the Union. Men whose sons were facing death in "Dixie" were called "Rebel sympathizers by the instigators of the "Bucksport war," for the simple reason that they were not willing to seal the distinction of the Constitution with the blood of their offspring--Aye more, the very men whose bodies bore scars, bruises and amputation in battling for the joint resolution of Congress '61, are to-day called "Shysters, Skulkers and hospital bums" by the would-be Governor of Pennsylvania--John W. Geary.

Yours, KOOPER.

Our information from every portion of the State continues to be of the most cheering character. The Democratic column is moving on steadily to victory. The most intense enthusiasm pervades every locality, and our brethren are working with an earnestness and vigor which never before inspired their action. But a week yet remains for labor. In that period much work must be done. Let every Democrat devote all his time between this and election day to the advancement of the good old cause. See that every Democratic vote is polled. If business calls you away from home, don't fail to be at your voting place on Tuesday, the 9th instant. Should your neighbor be wavering see him personally and urge him personally to vote that ticket which represents Union, Restoration, and Constitutional Liberty. Put your own shoulder to the wheel and an easy victory will follow!

"No man living is authorized to speak for me in political matters. I want every man to vote according to his own judgment, without influence from me."--General Grant.
