EMPIRE SHUTTLE MACHINE. PATENTED PEB. 14, 1860. 1 536 Broadway, New York, Salesrooms, 250 Washington St., Boston. THIS MACHINE is constructed on en-

tirely new principles of mechanism, possessing many rare and valuable improvements, having been examined by the most profound experts, and pronounced to be Simplicity and Perfection Combined.

It has a straight needle, perpendicular action, makes the LOCK or SHUTTLE STITCH, which will neither RIP nor RAVEL, and is arike on both sides; performs perfect sewing on every description of material, from Leather to the finest Nansook muslin, with cotton, linen or silk thread, from the coarsest to the finest number. Having neither CAM or COG WHEEL, and the least possible friction, it runs as smooth as glass, and is

Emphatically a Noiseless Machine. It requires FIFTY PER CENT. less power to drive it than any other machine in market. A girl twelve years of age can work it steadily, without fatigue or injury

Its strength and wonderful simplicity of construction renders it almost impossible to get out of order, and is GUARANTEED We respectfully invite all those who may desire to supply themselves with a superior
