Resolved, That we condemn the conduct of the Directors of the Erie & North East R.R. Company who have combined with the Erie and North East R.R. Company to make our growing City a mere way station, and especially do we condemn the conduct of the Director who, professing to be the Father of the Gauge Law, has proved himself to be a traitor to the interests and to the law which he claims to be the author.

Resolved, That we regard the Rail Road passing through the southern portion of the City of Erie as an obstruction of the highway, and a grievous annoyance to the adjacent country, which we sincerely desire to see abated.

Resolved, That the obstruction caused by the Erie & North East R.R. Company in the township of Harborside is a great nuisance and very dangerous to the travelling public and should be abated.

Resolved, That the Board Commissioners of Millersburg are hereby called upon to remove or cause to be removed the rail road track from the public use in Millersburg, and the said track be restored to the width of six feet, or its former use, and that we will not otherwise submit to its crossing said roads.

Resolved, That the Citizens of Harborside have been with the utmost satisfaction the position taken by the City of Erie in its opposition to the said rail road, and that we will give her such aid and comfort as is in our power.
