Brie and Edinboro Flank Boad Co.

Dividend of three par cent on the capital stock of
the company ha been declared by the directors,
payable on and after Tebruary St. This dividend would
have been declared on the lat of Not on the capital for the
for the large expenditures younged in advice of the large expenditures.

for the large expenditures required in relaying a portion of the north end of the road.

The Directors have found it necessary to discontinue the extending of contracts which has heretofore been attempted as an experiment on the north and of the road, as being

unequal in its operations and unjust both to the public and to the Company. The road can only be sustained by a fair rate of folls which shall be equally horse by all.

It is left promptly at the hour bargained for, you are in the hour bargained for you are in the hour bargain

they belonged to the trading party, and were on no one paper has such away; but any paper,

they stood up before a holy man, the Rev. Mr

their journey of single life was done, their wed-ding tour finished, their joint voyage upon the sea of matrimony begun, they had crossed the line and tied the knot-a running noose. We hope it will never slip, nor require untying; if it does we are sure the parties will not come over this side of the line to untie or cut it loose, for in that line we offer no facilities Those ber: who feel the halter draw so tight they cannot bear the knot, cross over the line of our Kastern border, where the laws afford uneasy couples as

How JOHN SHORT "SOLD" THE PARSON -An incorrigible gambler named John Shorr, "sold" a pious old descon a short time since, as follows:—During the fall races in one of the upon the ground, and walking along after the manner before described. The countenance of The descon dismounted as ex .

ERIR CITY MILES & WATER PRIVILEGE,

With the load between the following and Castom, and I register of the special content of the special

kept himself me- of the time shut up in his house, with his three children. But little notice
