#### The Battle of Citate.

The London Times gives the following partieulars of the battle of Citate, from a private letter: On Friday the 6th of January, the Turkish troops, under the orders of Ismail Pacha and

Ahmed Pacha, marched to attack the Russians, who had fortified themselves in the village of Citate, which is about five hours march from Kalefat. The force of Ismail Pacha was.composed of three regiments of regular cavalry and one regiment of Bashi-Bozouke, with six guns. The Russian force in the village consisted of three hatfalions of infantry, three squadrons of hussars, and two equadrons of Cossacks.

The position of the Russians, who were dis-tributed in all the houses of the tillage, which office of Collector Hammond, Broderick's rival, is of great extent, and which is surrounded by a tch, rendered ilous. as the enemy, well sheltered, were enabled passed before the charge was brought before the to direct a murderous fire upon the Turks, with the matter was, that it would cause the postpone- In spite of this evident disadvantage, Ismail ment of the Senatorial election, and injure the Pacha gave order. for the attack, and threw himself into the village under a shower of balls fired from the windows. Considerable excitement has been manifested in this city, occasioned by the fact that a wagon on which was painted "U. S. Mail," on Wedness ter, among which were found a dozen or more letters and about 100 papers, all of which so far as we could ascertain, left New York in the mail steamship of the 20th of December. Among the Sacramento, and another for Santa Cruz. The that there is a petition in circulation for the removal of Postmaster Henley.

John Wheeler, one of the referees in a dispute relative to a mining claim, was stabled in the the party against whom he had decided.

BONORA ITEMS .- We have cheering news from the mines. It is estimated that the late mins have done the miners of Tuolumne county half a million dollars worth of good.

LOWER CALIFORNIA .--- We have news from Ensenade to the 17th of January. The fillibusters remain in their camp, there apparently waitressive. The news of the orders of the government had not arrived. A number of fillibusters had deserted, and arrived at San Diego. They my that the liberators receive but one biscuit a day, and the supply, even at that rate, is fast diminishing; and they would soon be compelled to purchase or take live stock, or to import proisions. President Walker has issued a Geerce The fillionters have been busy breaking wild The filliomiers have been busy breaking wild horses, drying beet, and making ather preparations for a march across toward Sonora. Then departure from Ensenada, it is said, will be haswhen by the announcement that the Portsmouth will soon be after them. The latest, and apparently most reliable accounts, states that they take the property of the rancheros in the neighborhood in the most injust hable manner, and the only pay, if any, is Sonora Scrip. Their proceedings are such that they must soon lose the little hold they have had upon public favor.

A WITE WITH TWO HUSBANDS .--- A man from this city went to California three years ago, Leaving a wife and family. About a year since, the lady gave out that her husband was dead, and after a very short delay, made a matrimonial connection with another man. Meanwhile, she was receiving and pocketing remittances of different sums of money, from \$500 downward from her first husband, who having "made his ! pile" appeared at Windsor, opposite Detroit, a five days since. While there, a friend informed him of the condition of his family affairs, about which, till then, he was in profound ignorance, whereupon he adressed a polite note to his quondim wife, telling her that if she would be kind mongh to send him his own children, that she welcome to the money which he sent her, and to make the most of her new husband, making no claim to her new offspring. But the reply of the recreant wife evinced the determina-tion to hold on, not only to the new accquaintance, but the remainder of the family. Her gratifying intelligence that "she had never altogether fancied her first husband, and that his protracted absence had confirmed her in that im-

premion." This lady has evidently no confidence in the Screy of first love. - Detroit Inquirer.

overs have given notice that the water

struggie, decided on abandoning the entrenchments. A number of Russian troops had alaiready evacuated the place, when a colonal of

Turkish cavalry conceived the unfortunate idea of endeavoring to oppose their passage. ing reinforcements, which they are not likely to and having no outlet to escape, and no resource but at the South the terrible energy derived from despair, recommenced the fight with desperation. It should

be stated that the Turks, npon the first success in the entrenchments, committed the incredible fault of not destroying the cnemy's guns. While the battle was thus going on in the village, twely battalicus of infantry of the Russian army and a squadron of cavalry, with sixteen pieces of connen, were brought to the assistance of the besieged, and attempted to place the Tarks between two fires. Information of this was givvre, directed his folders to the wind in order to prevent the junction with the besieged troops: For this movement he made use of three of his

reserved battalions. The advantage of the position was now on the side of the Turks, who were on ground which sloped towards the Russians; but the latter were in three times greater number than the Turks. In spite of this inequality, the Russians were entirely beaten, and fled in the greatest disorder. They were completely routed, a fact constituting

a feat of arms on the part of the Turks which does great-honor to them. Their losses in these | and one and a half wide, was arrested in Kentwo simultaneous affairs amount to nearly 4,000 men, among whom are included 50 superior officers. The Turks had about 300 killed and 396 tion to another party, and stones and pistols wounded, who were sent to the hospitals of Wid- were fired freely. Mary was held in \$1,000 den, and of whom it is hoped the greater part | bonds. may be saved.

Ismail Pacha fought like a lion, and more like soldier than a general. He had two horses killed under him. He was grazed with two balls-one on the shanlder, and another on the wrist. A third ball struck the scabbard of his sword.

The Turks took from the field of battle, besides a number of horses, a great many muskets, sabres, schakos, epullettes, and decorations. and also many wounded. The latter consoled themselves for their wounds by the sight of Rastern political and commercial capitols, partic-watches or handsful of gold, gathered in the ularly in Washington, that there will be a volunmidst of danger, which they placed by the beds | tary offer to sell Cubs to the United States. A of pain as a solace to their sufferings.

The New York Tribune thinks that aristocracy does not hear showing up anywhere.----Even though it escapes negro blood, it stumbles over a cobler's workbench or an old woman's apple stall, and in fact is very ordinary crockery at

An old lady in Washington, N. H., undertook to explain the operation of a revolver to her two little grandsons, children of Otis Metcalf. She succeeded so well that she lodged a ball, in the back of one of them.

The Lehigh Register states that about plies: twenty gentlemen have associated themselves under the General Manufacturing Law, with a capital of \$200,000, and having purchased 180 acres of land lying three miles north of Allentown, at \$200 per acre, for the purpose of engaging in the

. The ladies of South Carolina have formed "Calhoun Monument Association," for the purpose of raising money by private subscription to erect a monument to the memory of that statesman.

The Milan. O., Free Press gives an account of an attempt to kidnap two colored children in that place for the purpose of selling them ndeavoring to oppose their passage. into Southern slavery. The person charged is a The Russians, finding themselves surrounded Mrs. Kester, of Findly, her husband being now

An abolition paper published at Indiana. Pa., has at its head the following ticket:-For President, John P. Hale-For Governor, Wm. Larimer, of Allegheny county. The nomination of Larimer is also urged by the "Wooly Head" portion of the Whig press of the State.

The St. Louis Rebublican states, that from the first of January last to the evening of the 4th of Febuary, thirty-eight steamboats were badly damaged or totally destroyed on the western rivers. Eleven were consumed by fire, thirteen sunk and entirely lost, and fourteen badly damagea by maging and other accidents.

The Ohio and Mississippi railroad was formally opened from Lebanon, Ill., twenty-four line of road which is to run direct to Cincinnati, and there will connect with the railroad, that by way of Parkersburg, will form the straight lin railroad from Baltimore to St. Louis.

STRONG MINDED .- Mary Brown, flourishing a sharply ground butcher's knife ten inches long and one and a fait white, was allowed in sington, Philadelphia, on Sunday. She was com-manding a rabble of half-grown boys, in opposi-

For They have a dreadful mean man in lows. He gave the measles to a neighbor, the other day and has been crying ever since-not because he parted with the measles, but because he had to give them away. Could he have sold them he would have died happy. He is a brother to the old gent who resides at Troy, and who never has green peas for dinner without remembering the noor-be sends the pods to the orphan asylum.

CUBA .- An opinion generally prevails in the coup d' etat is anticipated at Madrid, to occur at an early day, and that the new government of Spain will be willing to dispose of Cuba upon star ting; and although the Conductor waited long terms to be agreed upon.

Heavy damages for personal injuries are becoming quite frequent. The administrators of Mr. M. Closkey, who was killed by a collision on

in one of the Pittsburgh courts, and at N. Or-

ing strange if any one should whisner a word o provements can be made; it must be admitted complaint against any road, within a hundred that they are of doubtful policy-involving a

miles of Buffalo, even at midnight, if the Editor wasteful and extravagant expenditure of the public money, and giving to the general government the shaft and whirled around at the rate of one night-mare on account of it. The fact is, our a patronage and a power never contemplated by friend of the Notes believes in the infalibility of the States, when the confederacy was formed.railroad men so implicitly that we have no doubt | If the general government has the power to conhe thinks he will "go to" a Railroad when he struct Harbors where none existed, and improve dies, instead of one of the other places! And,

insignificant rivers, it is somewhat difficult to dehonestly, we have no doubt he will. But this ny to it the power to carry on a general system aside. We said last week that it was no unfreof internal improvements; and no one imbued quent occurrence that passengers and mails from with Democratic principles can contemplate the the New York and Erie road were compelled to lay

exercise of such a power without trembling for over at Dunkirk when, if the State Line train the safety of the ountry. It was attempted once, had waited ten minutes longer, a connection would but the Democratic party arrested it before its have been made, and the detention thus avoided: corrupting influence had pervaded the masses of and we mentioned a particular instance that ocr the people, and poisoned the very life-blood of curred the week previous. To this the Notes re-

our institutions.

In order to obviate the very many difficulties "Suppose the delinquent 'Conductor' had waitembarrassing this vital question, it has been proed that 'ten minutes,' and as a consequence the posed that Congress pass a general law, giving trains had failed to 'connect' at Cleveland, Toledo, and any number of places west, upon whose to the States the right to collect tonnage duties, shoulders would the blame of certain other mail to be devoted to the improvement of the Rivers failures have rested?" and Harbors pertinent to their jurisdiction. To

This "suppose" reminds us much of the "sup- what extent such a measure would meet with the pose" of the girl that was found crying by an approbation of the Democratic party, it is imposoven one day. When questioned as to the cause able to say; its merits and demerits have yet to of her grief, she very "Notes" like replied: "Sup- be examined; and we do not doubt but that the

pose me and John should be married-and we dominant party in Congress will attentively should have a little baby-and I should be down weigh the reasons for and against it. One thing here baking and should be called away for a is very certain; some of the features are preferafew minutes-and the little baby should crawl ble to those of any plan yet proposed. It is the into the oven, and should be burned all up," and only way by which the improvements can ever

Allegheny County prison.

Mesars. STERRET & GRAY: GENTLEMENT: —Your favor dated "21st jast, ordering one barrel Dried Boef, came to band this morners. We regret to say, that the indignities we have been compelled to on-dara in passing through your towa, are too recent in our memories for us to wish to have any basiness or social com-nection with your place! We do not know that you have any sympathy with the mob who have controlled your city have had none, we shall have to decline your order. Yours Very Truly. P. 8.—We have made no enquirres about grass wedd.

dealers in beef and, as the sequel shows, every

baro had hone, we shall have to determ  $G^{-2+} \& C^{-2-p}$ . Yours Very Truly.  $G^{-2+} \& C^{-2-p}$ . P. 8.—We have made no enquires about grass weds, knowing that there is not a good merchant in our city who would sell seeds for each or otherwise to go to  $\lim_{t \to 0^+} G_t \& C$ .

If Messrs. G. & C., dealers in "small potatoes" and dried beef, of Cleveland, Ohio, are not full brothers to the man that burned the notes of a solvent Bank in order to spite the Bank, we are here the other day. I tell you wast ... me no Yankee. Besides, we'll bet our steel pen shiver; but the merry music of delands against a gray goose quill, that their cars are at least six inches longer than those of any druy wine aring Avenue was thronged win his ani anima' horse that ever toated a load from their storely

GOOD NEWS .- A Harrisburg correspondent of the Pittsburgh Post, says that "Messrs, Knight | and Wright, of Philadelphia, Lowry of Tioga, physically, if not intellectually, he is a nete Roberts, of Payette, Ball, of Eric, Dunning of above his colleagues of the Senste-the Luzerne, are among the ablest and most influential members of the House, on the Domograt- you can guess yourself. Here the reas ic side." The above is a piece of truly gratify. He is an appirant for the Presidency, and an ing news in this meridian, as it is the jirst time Erie county was ever represented by a Democrat.

We do not know whe "dad" the following. but it contains more real unvarnished truth in a small space, than any other "slap" we have ever seen at the Lucy Stones and the other "strong, after from Connecticat," said be, "has intimitaminded" women who perambulate the country lecturing on woman's imaginary. as well as real wrongs:

"The modest maiden, the prudent wife, or the cureful matron, are much more serviceable in life and himself. He thought he could ite than petticoated philosophers, blustering horoines or virago queens. She who makes her husband happy and reclaims him from vice, 15 a much greater character than ladies described in roman ie. whose sole occupation is to murder manking with called company beats. On one over shafts from their quiver or their eves."

A German boy, named Swapp, engaged in peddling, was crushed between the cars and the Platform at the Depot. on Friday afternoon of last week. He had droped his basket between the cars and the platform, and had got down to get it when the train started, and he was litterally smashed to pieces. A warning to others which we hope will be heeded.

The "war of the gauges" has been sueeeded by a war of the poets:

Blow, O blow ye heavenly breezes. All among the leaves and treeses Sing, O sing, ye heavenly muses

All about fine boots and shower. For particularsine the Advertisement of Messrs. Wilcox & Norton, and the rejoinder of Mr. De-

vean. Poetically, we think Devean is a "fectior two feet" ahead so far. Im Why did the "Home Journal" out our

exchange? Maid our dual compliaents to the close of its last volume, welcome it back to our table?

The Fredonia Censor entered apon it 84th volume this week. Quite and aged gentleman, measured according to the general life of news papers. Long may it wave, and the junior Editor speedily forsake the errors of his ways and become a-married man! Look at Pratt and take courage, O Censor!

The publishers of Boston have held a Convention, and have agreed to raise the price of advertising in their respective papers, 25 per cent. Right: and because it is right, the publishers of Washington is continued, and then

will do well to observe.
