desired with seave Eric for Chicago and intermediate ports as of conferring with the Hon. A. H. Stephens, a friend of his master. The result is, that last night, this gentleman, who had previously designed to make a brief visit to Georgia, and who was on the eve of departure, left the city, taking with him the slave for his earnestly sought home in the south. This is a nut for mawkish philanthropists to crack. - Wash. Sentinel.

ACCIDENT.—The Butler Whig says about two weeks ago, Thompson Turk, a young man who resided in Centre township, left home for the purpose, it was supposed, of visiting a neighbor's. He continued absent for several days, but it created no alarm as he was in the habit of remaining away several days at a time. In the early part of last week, a lad in passing through a piece of woods in the neighborhood had his attention arrested by a noisome stench, and on examining for the cause of it, discovered the dead body of Mr. Turk, crushed under the trunk of a fallen tree, and in an advanced stage of decomposition. Deceased had an axe with him, and it is supposed he felled the tree for the purpose of securing some wild animal, and that he had been struck

and that free from all obstructions.

A Wisconsin paper says that a resident of that State, (probably a Yankee by birth,) has built in the town of Menosha a singular looking craft, one hundred feet long, containing a cabin for the residence of the proprietor and his famiy, and also a large pottery manufactory, with a ull set of machinery for grinding clay and manufacturing enthen ware. The machinery is propelled by a windmill, which is elevated above leck. The proprietor designs, as the navigable season commences, to descend the Wisconsin and Mississippi rivers in his ark, stopping when night overtakes him, exhibiting the manner of manuacturing the article, and selling his wares to the benighted inhabitants of the region. He anticipates a profitable as well as an agreeable trip.
