Erie, Sept. 7, 1854.

At about 5 o'clock P. M., this evening the following dispatch relative to the case of the Commonwealth *ex rel.* vs. the Erie and North East Railroad Company in the Supreme Court of this State was received.

Pittsburgh, Sept. 7, 1854.

To Hon. James Thompson:

Injunction awarded. Road in Erie and Harborcreek declared a nuisance. To be removed in four months.—The eastern boundary of the Borough or within to be the terminus. Road to be re-constructed on plan approved by Court.

THOMAS WILLIAMS.

The contents of this dispatch soon became known to all the citizens, and happy crowds met, greeted and congratulated each other upon the streets. The joy of the people was unlimited. The bells sent forth their merry peals and the loud echoes and reverberations of the booming cannon proclaimed the glad tidings with its voice of thunder to the citizens of the whole county, awakening rejoicings in the hearts of thousands of liberal and enlightened freemen.

In the evening there was a very large assemblage at the Court House, the greater portion of the crowd being unable to enter.

The meeting was organized by calling Hon. Joseph M. Sterrett to the chair, and electing Messrs. E Babbitt, M. Koch and J. C. Marshall Esqs., Vice Presidents and A. H. Gray and Benjamin Grant, Secretaries.

The Chairman stated the object of the meeting to be for the purpose of exchanging congratulations upon the success of the people in the case against the R. R. Co.

The meeting was then addressed by Mayor King, Hon. Jos. M. Sterrett, E. Babbitt Esq., Hon. James Thompson, Messrs M B. Lowry, James C. Marshall, David Chambers, J R Cochran, J Towner, W Laird and Benjamin Grant.

The history of our Railroad troubles—the wrongs of an injured community attempted to be trampled under foot by the iron heel of a monied corporation, the insults heaped upon our citizens by the impudent Railroad men and their irresponsible hirelings and their unsuccessful attempts to ride over the people, over law and everything that stood in their way was fully and by many of the speakers eloquently reviewed and commented upon.

During the progress of the meeting the following dispatch was received from the Prothonotory of the Supreme Court and read

Pittsburgh, Sept. 7, 1854

To M B. Lowry, Esq.

Ordered and adjudged that within four months from this date defendants shall break up so much of their road as is upon certain streets in the city of Erie and upon the Buffalo road, and remove Railroad etc., so as to leave said streets and road in as good condition as they were in before the construction of said road, and that defendants make the Borough of Erie with its limits of 1842 their western terminus JNO COYLE

The following resolution was then offered by M. B Lowry Esqr. and unanimously adopted

Resolved, That Harborcreek, noble old Harborcreek has trampled gold under her her feet, in her recent Railroad troubles, like dust We rejoice with her with exceeding great joy, and that we will meet her at such time and place, and in such manner as she may, designate to celebrate the victory obtained by the recent decision of the highest judicial tribunal of our State

It was then on motion

Resolved, That a committee of five be appointed to confer with a committee of five persons which Harborcreek was requested to appoint to make arrangements to celebrate in a proper manner the victory obtained over the unscrupulous Railroad corporation

The chair appointed the following committee for that purpose Wilson Laird, Jr. D Cook, J Hall M B. Barr and M B Lowry

The meeting after three cheers for Harborcreek and ... adjourned

☞ A Wonderful Discovery has recently been made by Dr Curtiss, of this city, in the treatment of Consumption, Asthma and all diseases of the lungs We refer to Dr Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup With this new method Dr C has restored many afflicted ones to perfect health, as an evidence of which, he has innumerable certificates

Speaking of the treatment, a physician remarks It is evident that inhaling—constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the aerial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach and subjected to the process. The Hygeana is for sale at all the druggists throughout the country From *the New York Dutchman of January 14th*

Complete Cure of the Rev. Augustus Bolles.

Of a long standing and most aggravated case of Salt Rheum, also Geneva Health restored by Dr A Weaver's Cuticle and Salt Rheum Syrup

The following certificate from the Rev Augustus Bolles, author of the late Rev Dr Bolles of Boston and formerly editor of the Christian Secretary, published at Hartford, will be read with interest, containing as it does, from a Baptist clergyman, extensively known and of high standing throughout all the Northern States Colchester, Ct., April 10, 1854

Dr A Weaver, Dear Sir—

Between two and three years since, I was attacked with Salt Rheum upon my letting The eruption was at first very trifling but exceedingly troublesome being attended as usual by a ... itching, stinging sensation Very soon however, it began to spread, and in the course of a year very nearly encompassed the whole limb about the knee until the flesh became raw to more than the bigness of both my hands A copious discharge of a watery humor had long compelled me to keep it bandaged both day and night The irritation continuing and increasing rendered me at times, unable to walk without limping Being entirely ignorant of the nature of the complaint, I dared not apply any remedy to heal it, and became alarmed at the possible result of the difficulty At this stage of the disease I happened to read in a New London newspaper, a statement by Wm P Benjamin, Esq of New London of his having been afflicted for years with Salt Rheum, of which he had been cured by your Cuticle and Salt Rheum Syrup. His description of the disease and its action upon the skin at once satisfied me that mine was the same disease, and I instantly resolved to resort to the same remedy that had cured him—a medicine of which, till then, I had never heard I immediately procured a bottle of your Syrup and a box of Cerate and commenced the use of both according to the directions Before I had finished the third bottle, I was completely cured of the Salt Rheum, and what was more, experienced a wonderful renovation of my general health. From my own experience, and from what I have since learned from its own acquaintances, I have perfect confidence in the Syrup as a sovereign remedy for the Salt Rheum I send you this statement from the simple desire that all who are troubled with this fiery and troublesome complaint, may at once resort to Dr A Weaver's Cuticle and Salt Rheum Syrup and be speedily cured AUGUSTUS BOLLES
