A BOUT, which so much her been said and published and seed of the first seed of the seed of t the have taken it have been costive for years, and have gulated by it. Where the body is sound it works quite be n regulated by it. Where the body is sound it workequite (14), but where there is any derangement of the functions of natire, it will cause very singular feelings, but you must not be attained, they always disappear in from four days to a week — There is never a bad result from it; on the contrary, when that feeling is gone, you will feel yourself like a new person the contrary when t

heard some of the most extravagant encommums of it that ever man fusioned to.

Nothin in the annais of Pauent Medicines has ever been received by the public with so much favor as this simple or paration. It is now composed of nine interent herbs. In May, 1952, when I commenced making a business of it, I sold about two bottles per day. In June, 1953, I sold 4230. In Cetoher, 1953, I sold bottles in hope you will call that doing well; I do.

In my own practice, I confine it strictly to humors: but there are some who are so enthusiastic in its favor they think what cured them will cure auything and any body; they accordingly recommend it for every variety of disease. In this ways great many virtues of thave been found that in ever would suspect. Cases of Dyspenia, of many years standing, that withstood every knowl remody, have been permanently cured.

I knew one man to gain 17 lbs. by taking three hottles, another 11 lbs.; another 10 lbs. and a nother gain 7 lbs—the veneralize. Cashets, silver and Pearl Fort Worldogether with a great variety of long-ther long-ther long-ther long-ther long-ther long-ther long-ther

DR. MORSE'S INVIGORATING CORDIAL. A PHENOMENON in Medicine, frofessor Morac's invigora A. ting Eliair, or Cordial, the eighth wonder of the Botanic world. The invigorating Eliair and cordial, introduced this medical practice by the great chemist, physician and traveler, Dr. M. Morae, has for un hank an Ormania Herb, first brought from the stony deserts of Arabia Petree by that eminent philosopher, which has been endorsed by the incideal colleges of all the great cities of Europe, as the best preparation extant for the UCEE OF NERVOUS BIBERASES.

No language can convey an adequate idea of the immediate

UVÉE OF NERVOUS DISTANCES

No language can convay an adequate idea of the immediate and almost mirror loss change which it occasions in the diseased, debitated and shattered pervous system. Whether broken down to percess, weak by nature, or impaired by sickness, the unsurung and relaxed organization is at once re-braced, revivised, and built up. The mental and physical symptoms of nervous disease valuish together under its influence. For is the effect temporary. On the contrary, the relief is permanent, for the corduit properties of the medicine reach the constitution is

ful effects. Atthough anyotency occurs from strictures, deposits in the urine gravel, and from numerous other causea, we abuse of the sexual organs, he excessive variety or self-pollution particularly the atterns the more frequent cause in it. Now, who that understands the subject is it premate to employ that the power of procreating the species is fort sooner by those who practice the solution year. Then have been supported, the dispersive functions are deranged, in the physical and mental powers, weakened by in 100 frequent, and 100 cal and mental powers, weaking not a root request and outgreaters temperate the genitating air.

Married Persons or others conne found it mability from whatever cause, without this cordial, after they now a buttle or two, a thorough regeneration of the system. Where want of offspring is a negretit is of mestimable value.

The nature of the maladier relieved by this cordial are usual. The institute of the maladem relieved by this cordial are usually such as to have the publication of certification out of frequention, or the proprietor could produce a host of the most conclusive testimony to show that the great reputation it enjoys was not accidentally officiationed, but is firinfy based upon its positive and apparently miractious virtue. In all directions are to be found the happy parent of healthy offspring, who would not have been so but for this extraordinary preparation. And it is equally optent to the diseases for which it is recommended. Thousands of young men have been restrictly using it, and not in a single instance has it falled to benefit the in.

Fire Impalency, Incontinuent, Natural Emissions of The great success which has attended this invaligation medicine, for great success which has attended this invaling in medicine, for now of miscular energy, physical laws used and general prostra-tion, or any of the consequences of a safety of statem or in-duly, ner of the passion in tipe tyears, frenders at the most value. duly nee of the passion in their year, product in the message bit preparation ever discovered on tack, is a translational above complaints, it rands only that has both intensity receive other reliable remedy, or any that has both intensity receive the sanco mofile.
