POLITICS AND THE PULPIT .- We have alread dy noticed the desocration of the pulpit of New York on Sunday previous to the election, by the political parsons of the Empire City, who delivered political speeches instead of sermons. The Church Journal, (Episcopalian) commenting upon this extraordinary feature of the times, perti-

nently inquires: "What is the reason of all this? Has the old fashioned Gospel-which we have been accustomed to believe was the Everlasting Gospel-

Is no text fresh enough now for preachers and people except it be taken from the gospel according to the daily papers? Is it that the ministers are tired of the old topics of grace and salvation, and no longer believe 'Gospel' of which they pretend to be 'preachers?' The point we now wish to make, however, is, that in this country, where,

divided, popular preachers are rapidly rising to
