THE HAWSER. BT GBORGE & BURLEISE

Clinking to the desert rook, Where, with shock on thunder shock, Champ the white jaws of the sea, Crouch inferiate Neptune's rous O'er the black and barren stones-Status of despair in bronze.

Lash with their scourges thee! Twizt them and this green home-shore Granite throated whiripools roar: Outcast from a world so near. Sadder, nor less sure their fate. Than if all the desulate Breadth of waters awang its gate Across their path, while grimly safe

Whom wind and wave and half at ones.

Death there and terror here! But anon a slender line Leaps serues the whirling brine, Through the wild surf and the roar; Now they plunge with heroisin. One by one seroes the abyem, Headless of their rough unpits n. And the crashed wave is but a prism

To glorify the shore. Beattered o'er an ailen world By the waves of fortune narred steart from yearning heart to lost-Speechless, fellowiers, unknown, With no soul anear its own. Bach upon his block rock thrown While care, and want, and toti tay on

Their whips of fire and irost Rest and fellowship are seen Just beyond, with bowers of green But between them and their bits Boars the stormly sea of .ite; Waves of work and gales of strife. Priend from friend, and man from wife Sever, as with a fatal knife.

Wide off as death's abyer But anon a weird love-line. From the pen, flung strong and fine, With its thread of surpoor 12 ha Through the dash, the roar, and rout Then our stranded thoughts leap out, And their white arms wind ab ut Their happy frares white it'e e mila's Is full dr meslow tones - L fe Idagented.

Miscellany.

From "Leaves From the Tree lydring:

BY MARTHA RUSSELL

CHAPTER I It came at last, -what the fire, Co-indrastike, had muttered of for several day- past; what perple prophened to each other on the street, what Bill Lyman, the stage driver, had force in the t morning, when he called for he heavest part jacket; what young maid natural and the cooked for with impatient a name of a

lety and dread, -the snow storm And a right brave storm i w , a light, triffing affaire, that mer vivi with a thin treating, and in the contraction out a regular old-tisht and in will am sure, it was rather e quellers at many and a

Perhaps we should not be far from the truth, if we said that, at the same time, he gave a sort of a rough guess at his neighbor only encourages street-begging and idleness."

| Continue to the designation of the hot or the elagant partor of the mother is the unuagenest of the mother i

Uncle John Markham was not an eloquent man-ho never made a speech in his life; yet, somehow, the words which he spoke to that faldoor. It was opened we rosy-cheeked Irish len, discouraged husband, that night, woke feel-"Is there's family of a name of Ives living poor fellow's heart, to which he had long been stranger.

same stamp. Lewis," he added, addressing a young clerk, who entered, out of breath with in there, sir," was the aply, as she saw Mr. of the stere, and raises such a commotion among the various garmounts, mentionable and unmentionable, suspended over head, that it is sometime before the astonished Mr. Jimps is aware of the cause of this disturbance.

But there she standi,—a little, similaring, hollow-eyed girl, with a check almost as white before the above matted in her abundant bair, and such a control of the store, out of breath with in there, sir," was the poly, as she saw Mr. Harkham about to lay he of the latch of a door Markham about to lay he of the latch of a door.

I

so late," said Mr. Jimps. They are: so much so. Dimmie that I must introduce them to you. Will you call with me some time in the course of the day?"

"With great pleasure, upclu." It being New-Year's day, however, Mr. Jimps, amid calls and business, quite forgot Uncle John's proposal—the more readily as that old gentleman was absent most of the day on busiuess of his own, and it was not quel he shout to dress for the donation party in the evening that the old man saw at to remind him of his sugaryment.

"Why, it is too late, now, Caele John. Julia has already commenced dressing for the party,"

aid the little man. "Well, I can't go to this party with you until I told her, when she took the work, that we make it a rule to pay only when the lot was done to the she to to say there; and we have a suspicion turned Mr. Jimps. "There are plenty of period that he rather enjoyed the dissisters of Mr. Jimps. "I say, Dissisted, seeing that to make it all straight." And he handed out a gost to make an exceptional to get the straight when the country of the said the country of the said the country of the said the child, it seems; and I have come at the door by the time you are dressed, and there cannot expect us to make an exceptional period to make it all straight." And he handed out a five dollar bill as he speke.

The woman took the bill, looked at it a month of the said to the said the country of the said I have called on these friends, that's certain,' its gets rigged, if she is like most womenfolks."

Black Steson was at the door in tune, and here
