NEW HARDWARE STORE.

I AM now receiving the largest and best assorted Stock of Domestic and Foreign Hardware ever brought to Erie, which was bought for cash from manufacturers, without the jobbers profit. These goods were selected expressly for the market, and I am confident that any one upon examining my stock will find that its quality and prices I can defy competition. I am not fond of boasting; and therefore, only ask my friends to call and examine for themselves. My stock of American, English, Swedes and Russian Iron of all sizes, Steel, Nails, Spikes, Cast Steel; also, German, Hungarian and American Steel, and Tue Cork Steel. Cast, Leg, Trace and Halter Chains, Blacksmith's Bellows, Vices, Sledges, Hammers, Drills, Screw Plates from three to twelve dollars. To Carpenters particular, inducements are offered. My reputation for selling *good tools*, is too well established to speak of quality here, but I have only to say that my stock of Bench tools, Socket Firmer, Pairing and Turning Chisels, excels any thing ever offered before.

A new and beautiful lot of Socket Firmers and carpenters chisels have been very much liked; some of all kinds, Bench Panael, Rip, Back, Web, Common, Pad and Sash saws; in going like hot cakes. Circular Rip and Crosscut saws of all sizes, together with Wm. Rowlands & Son's cast steel hand saws; Atkins' cross cut saws and Disston's wood saws. My stock of door trimmings are too well known, and my space is limited here to permit enumeration.

My stock of shelf Hardware comprises every thing that can be called for "shelf." Ship carpenters will find a good assortment of Watt's axes and adzes, finishing mallets and irons, and in short everything in their line.

Moulders will find a general assortment of their tools; trowels, sticks, lifters, shovels &c. Ladies will find certain pieces and tuned corner, curtain cut of bolts, trap fasteners and papers, paperhangings and a new splendid style of hall mats, shovel and tongs stands, and a general assortment of Room furnishing goods. These good Troy nails are still found here, and a full and complete assortment of the rubber belting from the Boston belting Co., together with packing both hemp and rubber.

But my pen tires and I find it is useless to try to notice here a tithe of what I offer to the good citizens of Erie county; suffice it to say that "my latch string always hangs out," and that I am not afraid to show my goods.

To dealers, I would say that I can job you goods on as good terms as you will buy them in the Eastern cities; and if you do not believe what I say, call at No. 6 Cheapside, on French street, opposite the Park.

J. C. SELDEN.

Erie, Nov 18, 1854. 27.

SHOVELS.

I am prepared to furnish Contractors and others with Shovels at Eastern prices. They will do well to call on me before purchasing elsewhere.

Erie, July 8, 1854—8. J. C. SELDEN.

NOTICE OF REMOVAL.

DR. LA CROIX has the pleasure of announcing to the public that he has taken possession of his splendid new edifice, which he has recently erected at No. 31 MAIDEN LANE, and will be happy to meet with those who seek relief of consulting him in the "*specialty*," to which he devotes his undivided attention.

His Dispensary is now capacious and replete with every convenience which modern improvement can suggest, such as hot and cold water, water closets—the apartments are all warmed by means of a hot air furnace, and lighted throughout with gas. The premises No. 31 Beaver street, so long known as "Old Galen's Head Dispensary," and which Dr. La Croix has occupied for the last eighteen years, was found to be inadequate for the great increase of business with which he has been favored. He was therefore compelled to seek more capacious apartments. The office will be found very accessible to strangers, from its close proximity to the depots of the Central, Western, Hudson River, Harlem and Northern Railroads, (all of which are at the terminus of the street,) as well as the principal Hotels. The Dispensary is entered through a private passage in the apartments, (the whole building being used for the purpose,) and is well adapted to facilitate the restoration of the patient without fear of exposure, as they will not come in contact with any one but the Doctor.

A NEW AND REVISED EDITION OF THE PRIVATE MEDICAL TREATISE,

By LA CROIX, the author of a work entitled "A Physiological View of Marriage," being a treatise on the Infirmities of youth and maturity, illustrated with upwards of one hundred and twenty-five colored engravings, for 25 cents This is the cheapest work ever published, and one which every one ought to read. It treats valuable information for the married and the old, the sick and the healthy, the child and the parent

It treats of all diseases of females, whether married or single. Him to those who desire no more children. Strangers who require medical advice, before consulting a doctor, ought to know whether their cases are properly understood by those whom they employ, and thus guard against the imposition of quackery, so prevalent in populous cities. Hence the advantage of a popular knowledge of oneself, such as is given in this work.

NEW REMEDIES AND QUICK CURES

DR. LA CROIX offers to all those who desire to consult a professional person, the result of 30 years experience in the Hospitals of France and America.

YOUNG MEN—Let no false modesty deter you from making your case known to one who, from education and respectability, can alone be trusted you. He who places himself under Dr. La Croix, and has his treatment, may religiously confide in his honor as a gentleman, and in whose breast will be forever locked the secret of his patient. There are very few men in the world in whom it is safe to repose confidence—especially in cases of a delicate nature. The many pre eders to medical science with which the country is filled, and the disappointments in which the unfortunate victims are subjected by consulting such men, compels it a matter of mere justice to caution the public against them, and point them to the sure "haven of repose," which is in the management of the celebrated Dr. La Croix, No. 31 Maiden Lane, Albany, N. Y.

TO FEMALES.—Dr. La Croix, No 31 Maiden Lane, without referring the ordinary and common place phrases usually resorted to by advertising quacks, will only state that Female complaints, of whatever name or nature, are treated by him successfully. The most convenient rooms always in reserve for ladies who may wish to consult a regular physician with regard to any of the distressing complaints to which their delicate organization renders them liable.

DR. LA CROIX, IMPORTER AND MANUFACTURER of Trusses, Shoulder Braces, Female Supporters, Lace Stockings, Suspital Elevators, and every kind of Surgical Belt and Bandage, which will be supplied and fitted on the most reasonable terms by the Doctor.

THE ELECTRO GALVANIC "PROTECTIVE"—For preserving a sound head of hair, or to restore it when lost or decayed. Every family may be obtained as above or sent per mail. This instrument is extensively used during the last eight years. Price reduced to $10.

TO MALE PERSONS.—COMPLAINTS.—Dr De Lavay's Female Pills are well known to thousands who have used them for different periods for the last twenty years in this country, as a certain and safe remedy for the removal of all disorders to which females are liable. They are free from poisonous drugs, and in the preparation no bad smell is allowed. Simply precaution necessary to be observed is, ladies should not take them when they have reason to believe that they are in certain situations, the knowledge of which will be found in the wrappers accompanying the box, though always safe and healthy, no one, under certain circumstances, should use them. Price $1 per box. They can be transmitted by mail to any part of the United States.

Dr. La Croix can, without boasting, say, that he has CURED TWENTY THOUSAND PATIENTS within the last three years, and no one single case is known where his directions were followed and medicines taken at reasonable time, and a cure not effected. Therefore, all who desire to be cured, not merely have the disease checked, are respectfully invited to call.

ADVICE TO STRANGERS.—Beware of impostors who call themselves distinguished graduates, &c., and boast of practising all over the world for centuries past. Be not deceived by those vile wretches which cannot be fulfilled, and pay no attention to those notorious, boasting advertisers, before you consult Dr. La Croix, where a sure cure can be obtained with strict honesty on written guarantee and forfeiture. See my seven certificates.

CONSULTATION AT A DISTANCE may be had by Dr. La Croix by letter, (fee paid, describing case, and have medicines securely put up and forwarded to any part of the United States, always accompanied with full and explicit directions for use. Communications strictly confidential. Office arranged with separate apartments, so that patients never see anyone but the doctor himself. Attendance daily, from 9 to the morning till 9 at night and on Sundays from 9 till 5 P. M.

Dr. LA CROIX is agent for BLANCARD'S PILLS of Iodine and Iron, not liable to change, and without smell of Iron or of Iodine.
