Take a Paper!

Yes, two of them; and it won't hurt you a bit to take Say, for instance, your county paper first, an Agriguard paper next, and then, if you can afford it, and we gase you can, a Literary weekly or monthly! Do this, and we'll insure you as interesting and as intelligent a fams any in the land, no matter what advantages of ghols, colleges and seminaries the other may enjoy. One Jost cotemporaries truly remarks that newspapers taken 14 (amily where children are, beget in those children a per and a fundness for reading, which never can be forgates or removed. The reading of a newspaper is among petrst jessous of their childhood, and they seldom forget the teachings of the paper or lose the desire for its visitaas Is there a person now taking a paper, who would A sthout it, and be deprived of the plersure of its peruand the news and information it contains? Think of it mier Your weekly paper costs you only three cents a get Is that expense too much? We think not, indeed section t think there is a farmer or mechanic in Eric couna bal can readily afford to pay three times that every set and we know many of them de, for newspapers! If persone who disputes us, we beg to ask if there is not , or army which he enjoys each day, twice as expensive whe price of a daily paper? We are of opinion that newssuch with some, are not fully appreciated. They are soled upon as a farmry rather than a necessity. If this auth is considered in its true and proper light, we are enfacet that we should find tower families without news-Again we say, every family should take a paper paper of a kind that will be useful and instructive .ter and never have reason to consider that the money nors well invested and produces a large dividend

if the following is the fate of delinquent subscribers. musk some of ours had better "escape the wrath to and "pay the printer"

As honest men, attend and hear, The serious fact,—the times are dear. Who owes a bill, 'tis just as clear As star-light in the winter. That a if he can—that bill to pay ted ere he buts his purse away

But if you don't, as gnaws the mole. il through vour conscience est a hote and brand the forehead thus-"No Soul," him who cheats the Printer. The cats will mew between your feet: The dogs will bite you on the street. And every urchin that you meet,

"look to your pockets, there he goes,

"he chap that wears the Printer's clothes'

The grub, he gnaw'd the Printer

PHILADELPHIA.

ndones of the Brie Observer. PHILADELPHIA, Jan. 22, 1865 A Tremendous Storm— A New System of Managing the Public Funds—A Medical Student Burnt to Death—Office Hunting—The Foreign News—Troubles among the Military—Cc.

Last night a tremendous storm of wind and rain passed ver the city, doing much damage. In every part of the our remembrance. Six buildings were burned last night city chimneys were blown down, roofs lifted off, awnings in the Bowery, and the night before the flames laid hold torn in tatters, and fences prostrated. Along the Delaware | of one of the old landmarks of Brooklyn. The heavy the shipping suffered severely. Bight or ten small sloups clang of that new bell on the New York City Hall, wakes four story brick building in the lower part of the city-was tempted to jumpt out of bed and rush after the "machine," slown down. It made a crash like the report of a park of as it is whirled away over the stones by fifty vigorous artillery, and created the greatest consternation for several arms. A fire in the night-time, especially when there squares around. The Hay-press of Mr. Hughes, a brick a little fighting episode, is quite an exciting occasion. building is the same vicinity was also blown down. A Travelling home after the fire at one or two o'clock, you building in the same vicinity was also blown down. A portion of the roof of the six story building at the corner of from sleep, and for what purposes. White-kidded fope Grambo & Co., bookpublishers, was carried away. About archaeolage is a special provided by the control of the six story building at the corner of have a chance to to see who else wrests the small hours. The Schooner "Coman," carries 275 tons, from sleep, and for what purposes. White-kidded fope The Schooner "Illinois," do 150 do The Schooner "Traveler." carries 340 tons, Fourth and Commerce streets, occupied by Lippincott, Grambo & Co., bookpublishers, was carried away. About two hundred feet of the Market Street Br.dge was torn off by the violence of the storm. The storm commenced about the dance still go on with flying feet. You may step into the dance still go on with flying feet. You may step into Moore, One Farm of 100 acres well improved, and water-ad-with barn and cider mill, 15 miles from the

The trial of Robert G. Simpson, late Treasurer of this and imbibling to their hearts content. Thus can the quiet county, which has been going on for some days before Judge family meet who love the social glass, but don't whant to Black of the Supreme Court at Nisi Prits, excites much be seen in a bar-room or common drinking saloon. They interest. Simpson at the time he went out of office, was a chat couly about the war, hard times, and sporting matches, defaulter in the sum of \$175,000, but he has since that time without getting violent or excited. Go down into the compaid up all but about \$30,000 Mesers. Seisser and Harris mon "saloons," below the level of the street, and you will Simpson's securities, and W. A. Christman his confidential find a different set. They are swallowing "brandy smashclerk, were also indicted on the same bill, but the Court es,' and "gin cocktails," and their reckless swagger and agreed to give them seperate trial. The trial as it promended on a paper is wasted on thrown away. It is gresses develops a most extraordinary state of affairs. The Sykesy" order, and proud of the name at that. They have parties loaned out the State Tax in their possession at usurious interest and speculated in real estate. In fact it was contended by the Counsel for Simpson that he had the a quarrel on the slightest occasion. A word of disparagenoney, but it was invested in property in an adjoining ment to the favorite "machine," would be provocati County, and that he could not realize it at present without | enough for a males. Then rushes in the Star, and calm a great sacrifice' Simpson is an illiterate man, and was ing down the furious combatants with a few blows from ellected to office during a high political excitement. He at his short-oak club, he seizes the one who bears the blackone time kept a small Oyster-stand in the Second Street et ere and bloodiest nose and hanls off his prize to the Market, where he retailed Soup at three cents a bowl, and station house, followed by the whole brawling crowd .-when he was eleveted to office he was making money by This is a specimen of the lowest class of the midnight rekeeping an Ice Cream garden in Queen street. It requires sort. If you want to find where the promising young a very heavy security (\$50,000) for the office of County | men of New York, the heirs at law of our merchant prin-Treasurer, and in order to obtain this, Simpson placed him- ces, keeps themselves at this time of night, we will inself entirely in the power of his securities. Christman, troduce you to "St. Clairs," or some other of the magnifiwho was his confidential clerk is the son-in law of one cently furnished drinking establishments that line Broadof the securities, and it appears that he had notes of way. Or step into "Field's" billard saloon, where you hand in the Bank of Penn Township. in the year 1853, will see in what pursuits the students of our city colleges amounting in the aggregate to over one hundred and se and medical schools, waste their midnight oil. Or again, venty thousand dollars, while those in the Girard Bank run turn off Breadway, stop at a house where the inmates apup to nearly as much. The money of the State was used pear to have "shut up and gone to bed;" give a double for shaving purposes, and, in the opinion and according to knock and you are admitted cautiously. If your appear- 100 Fine Gold Ladie's Ear Drops, 2 to 16, the ruling of Judge Black, with the knowledge of Simpson, unce is not suspicious, you will be admitted further into he adopting the most charitable view of the case, not that a brilliantly lighted apartment, where the revolving forwhich would make it actual theft of the money by Christ-

sad fate the other morning. A fire occured in the lower part of his boarding hous at an early hour in the morning, He occupied the third story and on his way down stairs entered a room partially enveloped in finnes, and it is su-limagined than described. So we will walk home in peace, posed he was stiffed with the sincke. At all events, upon Maryland, and was highly esteemed and respected by his was about 21 or 22 years of age, and had the most gratify ... ing prospects of a brilliant future before him. One of his fellow students informed me that he was one of the most goes pocket book still. If he has a note to pay in the handsome, as well as talented and excellent young men he mitted to met them, of course he feels all the more come a matrimonial engagement with a young lady of this City. here ourly knowing that the sun will rise again, and since, the lady met with a serious accident while travelling her limbs necessary, and from the effects of which she has not yet and perhaps may not recover

Mrs. Edwards who kept the boarding house at which the and rigues. He has a correct litographic likeness parts of the house simultaneously, though there was no eviear is leave their laguerrectypes behind, under- dence fixing guilt on either of the parties arrested. Mrs. ath of shirts is printed a description of the rogue. It is Edwards had removed all the valuable portion of her fur-

In the Supreme Court of Saturday, of for the Lewis and Justices Knox and Black to marter of the toveland, Painsville and Ashrabian Range of Company of

for the month of November of cotton, linen, silk, wollen metal, and fancy manufactures was \$1,000,000 less that during the same month in 1853.

Notwithstanding the variableness of the weather, us horn gun flint, to a prophet, from a city continues remarkably healthy, if we are to judge from the number of interments reported in our bills of mortal ity, which during the week ending Jan. 20 amounted to but 151, of which 70 were of persons under 10 years of age. Thirty-one of the deaths were from consumption and nine from inflamation of the lungs.

Our military folks here have got into quite a snarl. come time ago an election was held for Brigadier. General nited States Magazine" is a capital monthly for | Brigade Inspector, &c., which election was for some rea son or other afterwards declared null and void by a Cour Martial appointed to review it, and Gov. Bigler approved its decision. Thereupon a new election became necessary Gov. Pollock, however, after he came into power, was to issue an order annulling the decision of the Court Martial and affirming the right of the officers chosen at the first election to hold them. Quite a large number of our military companies have titles expressive of Irish origin. such as "Meagher Guards," 'Emmett Guards," "Shields Rifle," and "Hibsenia Greens," and they are under the command of Col Patrick W. Conroy, who, acting under the belief that the Governor's new order is illegal, has directed that the election shall be proceeded with as originally decreed by the Court Martial. Among the candi John Tyler, Jr., a son of the late President, who is out in ing money fraudulently from a client. Some | services of his father, the veirtable Capitan and his grand-

at the cannon's mouth." Prof. O. H. Tiffany, of Dickinson Cotlege, Carlisle, is to has been left to Francis Roserts, a shoomaker of lecture here on "Americanism," and Rev. Antonette L. Brown, on the "Old and the New."

Some of our temperance folks are giving that move funds to aid the wives of drunkards to prosecute those who furnish liquor to their husbands. A market street dry goods house failed to-day, but it does not amount to much-probably \$70,000. During

NEW-YORK.

Correspondence of the Brie Observer. NEW YORK, Jan. 19, 1855.

Fire in the night and a run with "the Machine" - Midnight itsort.—The Ball and the Poor.—Movel Buterialments
Literary.—Effect of the war upon American Commerce. For two successive nights we have had large first, whilst the terrible tragedy at Fort Washington, is still fresh in -mostly oyster boats were sunk; but I am pleased to up all the inhabitants of the three cities with its first earn no lives were lost. The Shiffler Hose House—a large stroke. If one lives near an engine-house, he is strongly

Monday morning The loss, at present caunut be esti- door, if you chose. You will find a long room filled with jovial companions gathered around social tables, smoking loud speech proclaims them to be of the "Mose and been running with the machine, have stopped several times before to take "something," and are now red hot fo

One of the students of the Jefferson College, met with a from the police, and are therefore obliged to be careful in 300 Fine Gold Finger Rings, 1 to 2, the admission of company. But we must not attempt to initiate your virtuous readers any further into the midnight amusements of our citisens. The rest were better if the gas happens to be lighted. If the Almanac has breaking into the room, he was found upon the floor shock- promised a moon, there will be no gass, for one nights ingly burnt and in an insensible condition. He was from burning is a considerable item in the city expenses .-There are 10,000 street lamps, which burn 30,000 feet per fellow students and all connected with the College. He hour, or 420,000 feet per night. This would make the cost of one night's lighting, at three and a third mills per

The great Ball for the relief of the Poor, came off on Thursday night. The Academy of Music was crammed with delicate gauses and magnificent silks enclosing the fair forms of New York belles. So great was the crowd tea e He consoles biaself with the pleasants reflection of wealth and respectability. The pair were looking for that dancing was a very difficult operation, and was peras to had no business to be a printer. He have down and ward to a speedy and happy union, when, a few weeks formed in a very sedate and gingerly manner. As to the profits, they are estimated differently, from \$3,000 to 150 30 hoar and 8 day Clock and Time pieces, 2.50 will wag on," notwithstanding his mistortunes, I in a railroad car, which rendered an amputation of one of \$2,000. The Socialist Germans had threatened to mob the Academy, but did not dare to put the threat into executton. There will be plenty of money now for the relief of the poor, if it be only bestowed in the right way. Inpendence, on the rich. There does not, after all, appear to be such a Molent anxiety to labor, on the part of the unemployed. A down town merchant sent word to one of the erowded indignation meetings in the Park, that he rould give immediate employment to 500 laborers, at his nd m it was a and calling for vengeance on the rich, when

foot, \$1,400.

lure another novelty, or rather an adaptation from German custom. It seems that it is customary in Geranny, for a married lady to receive her friends on the fifth numersary of her wedding day, when each one is expect-I to bring with him some present of silver, large or small. This is called a nifrer party. The Brooklyn lady wishes thus to celebrate her twenty-fifth anniversary of marriage.

et. Mr. Henry Wikoff's newly published adventures with liss Camble, the heiress, is a spacy bit of fashionable cand d, and will probably bring the author more profit han reputation. He has gone through a regular "course sprouts," and is well known in all directions. He ran arough a large fortune in Philadelphia, figured with anny Ellaler, edited the Republic, was conspicious in the orrest trial, and finally landed in a Neapolitan jail. Bis wn book proves him a conceited ape, and a mean-spirited rtune-hunter. No other literary occurrence except a rrent row among the young clerks who compose the Meruntue Library Association, in which Bibles and hymn ooks were used as weapons, offensive and defensive .-he election of presiding officers divided the society into stions, and the muss which followed was very exciting. The Russian sympathisers among us seem to be increase ig with the misfortunes of the allies. It was expected here, English and French navigation, and the American vessels rould do the bulk of mercantile transportation. But the Russian ports had been so closely blockaded by the Allied Floots, that commerce has been uninjured. Meanwhile.

ust have been forced to the step which he took, by cirumstances beyond his own control. The long-shoremen have had difficulty with the merchants, but have finally concluded to accept a shilling less per day than they have

Tremendons Excitement

Tremendous Excitement!

CADWELL & BENNETT have come to the conclusion to close their business in Erie, and are now selling their large and magnificent stock of GOODS, without regard to cost. The greatest BARGAINS that were ever fleard of are now rapidly going off in rich bress silks, Merino Plaids, French and English Merinors, Paramattas, Wool De Lain, Alpaca, Phawia, Lades Clothes and Trimming, silk Velvets, Laces, Ribbons, Cloths, Vestings, Gloves, Bosiery, &c. &c.

TO HOUSER EEPERS—Attention is particularly directed to an unsurpassed assortment of Lines Table and Diaper Clothes, Naphtins and Towelling, Marcelles and Lancaster Quilts, Shiriings, Sheetings, Flannels, Blankets, Dammasks, Certain Muslin Carpets, Oil Clothe, Rags, Mats, &c. with a host of other goods not mentioned. The importance of an early visit to the Empires may readily be preceived and again, the disappointment of many may in a measure be obviated by a morning visit, as the crowd is less done and greater convenience, with less confusion, are

THE subscriber would inform the citizens of Erie, Meadville, and adjoining towns, that he has established a Daily express for the purpose of carrying Goods and Pack-ages between Eric and Mendville, leaving each place daily are prepared to do up business with promptness and des-patch. All packages consigned to our care will be care-fully handled and delivered in as good order as received. Brie, Dec. 23, 1854.--6t32
