HEWYORK.

Correspondence of the Bris Observer NEW YORK, April 23, 1865.

Presidential candidates seem to multiply lake Fallstaff's office the other day by which the fact is disclosed that men in Buckram, the newest in the sequence, (although among our many other institutions for the education of the oldest in years,) being Commodore Cornelius Vanderyouth we have a regular academy for their instruction in | belt, of New York. Probably he was nominated by the the art of picking pockets. A young lad who displayed Jerseymen as an offset to George Law, -- Steam server great proficiency in the business, having been detected steam-It has generally been supposed that Commodors and arrested, stated that his education was not quite yet Stockton was all in all with the Jersey Bines, but it seems perfected, and that he was still under instructions. As his that his nose has been put out of joint by our Commodore. As regards Commodore Vanderbelt's qualifications as a statesestablishment has been broken up, but no doubt others ex- man, history is stient, but it cannot be denied that he esor and discussion of "Spiritual manifestations," and ist, where all the branches of the science of theft from the tablished the Staten Island Ferries, held them as a close or he supposed, it contains from week to week much a. b. c. of advoidly abstracting an exposed pocket handker- monopoly for years, and then sold them out to Mr. Las chief to the higher feat of skilfully purioning a well filled and others for \$600,000. From this circumstance probably pucket book, snugly stored away in a wateb-fob, are regu- he derived his title of Commodors. That he understands the Constitution as well as Daniel Webster did, would perhaps be saying too much, but it is certain that he is worth who first took the excraordinary precaution of twisting a over five millions of dollars, and that after William B. derbilt may be considered on a par in most respects except wealth. In that essential element of papularity, the Comof the Chesnut street promenade on Saturday evening last. | modure is believed to have the advantage of his rival by A young girl who left her home under suspicious circum about \$3,000,000. It is proper that the fact should be stances several weeks since, and whose family have since widely known, as it may serve to fix the determination of made many unsuccessful attempts to obtain any clue to | waverers who are now hecitating "which of the two to

It appears that our legislators—confused, perhaps, July. Consequently we shall have two months of "no license" in law, and unbounded license in debauchery. Mr. Hall, the District Attorney, is of opinion that no restrain can be imposed upon the retailing of intoxicating drinks between the first of May and the "Glorious Fourth." Shall we not have a nice time? Such are the results of a ten

days' spree, as preparatory to temperance logislation! The admission of Morrissey, Tyler, Lynn, and Van Pelt charged with the murder of Poole, is in accordance with "law and precedent." Turner and Parague, indicted as principals, remain is prison awaiting trial, and it is hoped that the Grapeshot ere long will return from the Canaries with Baker on board. Many persons think that Baker did not leave the country and that the search for him by sea will prove a wild goose chase. New serons.

Senator Brooks, of the Lopress, has established one of his two charges against Archbishop Hughes. Mr. Brooks stated that the prelate held in his own name certain temporalties of the Church, consisting of real estate in this city, conveyed to him absolutely by the trustees of the property. This the Archbishop posititively denied, but the truth of the statement is now placed beyond controversy by a series of extracts from the city records, pubhished by Mr. Brooks. Satire is a sharp weapon, and Archbishop Hughes wields it like an accomplished master

of fence; but Fact is a two-handed sword which no sophistry, however keenly edged with sarcasm, can withstand, The Lieutenant Governor's paper, the Daily Times, 18 giving the cold shoulder to the ligror law as "containing very many provisions which conflict with the judgement of ludicious temperance men, and threaten the efficiency, it not the existence, of the law itself." The Times has blown but and cold so often on the subject, that it is impossible to say whether it is in favor of a prohibitory liquor law or not. In fact, in relation to most questions upon which public opinion is divided, the Times is super-eminently

non committed. The Commissioners of Emigration have just published a statement from which it appears that they have spont about \$50,000 in four months in fowarding, lodging and grant

efficiency by breaking up a gang of most exploit counterfeiters. Six, including two female accomplices, have been arrested. The principal secundrel, John S. Good, was hars on Wednesday. He had a large package of five dolo admirably were these executed, that the President of the bank being shown one of them at first promounced it quarters of the gang, were fives and tens (n the Chemical twos on the "Bank of the United States," Washington, D. C, and fives on the Morchants Bank in this city:

The incarceration of Dr Peck by the authorities of Havanua continues to create a good deal of excitement here. No cause has been assigned for his arrest, and as he left this port quite recently in a very feeble state of health, A cheap at SPRING STYLE HAT.

GOOD NEWS! GOOD NEWS!! Those of our readons who have not tried that valuable preparation known as DR JOHN SULL'S FLUID EXTRACT OF SARSAPARILLA; for the curv of the very many diseases with which menisted are effected, are requested to read the amendad testimonial forwarded to DR. BULL a few days since, by Jacon G. Primmon, Eng. a gentlemen long connected with French's Hotel of this city, and extensively known as a sum of unblemched integrity, who would not endous any medium preparation whatever, unless thereughly convinced of its officery

French's Hetel, How York, December 8, 1884.

JOHN BULL, M. D.—Dur Str.: The immesse practical beautit I have derived from the use of year Fineld Shirted of Streegar/life indicess me to recommend 8 urgently to all who, like myself, have been subject to that distracting malady, Completion of the Kudneye. I have feased year preparation all I could desire, and regard it as one of the best remedies within my own personal knewledge. Sincerely grateful for the beatth I have secured through your immediate agency. I hag leave to subscribe myself. Franch's Hatel, Hose York, December 6, 1884

Very respectfully, yours, JACOB G. FRENCH.

True American Office, New York, | December 8, 1854. Da. Bull., No. 2 GILSE'S BUILDING, KEW YORK—
Dest Sir: Being personally acquainted with Mr. French, I take pleasure in superadding my correboration in testimony of the cure effected in his case through the instramentality of your in valuable compound. Having personally availed myself of the curstive properties of your Floid Bureach of Spreepperfile, particularly in the parficiation of the blood and the consequent anticipation of these universal disorders standant upon the changes of the asseon, I would cordially recommend it as a family medicine which should be maintained in every household. A remarkable instance of the influence of your remedy upon the restoration of the frame, and the all-but mirranious respectation of a body weaklessed to the instructions by the excesses of animal indulgence, occurred in remedy upon the restoration of the frame, and the alf-but miraculous resnesiation of a body weakened to the lest degree by the excesses of animal indulgence, occurred in the case of an eminent manufacturer in this vicinity, whose modesty, and not want of inclination, preclaimly, whose modesty, and not want of inclination, preclaimly, him from a publication of the detailed circumstances of the afflicting disease, which threatened to determine the on a settled case of premonitory leprosy. I am assured by him, that by the nee of your Fleed Entruck, he has been esempletely restored to his former and correct enjoyment of naimpaired health.

Tours, stnearely, THOMAS PICTOR,

Botter of the True American, Non York ASTONISHING AND RAPID CURE

SCROFULA We argently request our readers to read attentively the following statement presented to Da. JOHN BULL last St. John's Day, by William A. Goldsurra, Raq. of this city, and solemnly sworn to before a Public Notary. It exhibits the case of a gentleman who has been afflicted by Serofuls from his activised in the medical faculty of New Jork, and was apparently a downed man. A trial of Dr. John Bull: Fluid Estract of Surseaparille has given him health, and he now recommends to others that valuable and potent remedy which has saved him from a premature grave. The original affidavit, to which is affined the Notarial Seal of Henry C. Banka, Eag., before whom the deposition was taken, can be seen at Dn. Bull: principal office, No. 2 Courtlandt-street (Gilsey Building), Sear Broadway, New York.

STATE OF NEW YORK.

CETT AND COUNTY OF NEW YORK, WILLARD A GOLDSMITH, being duly sworn, pursuant to law, deposes and says, that he resides in the City of New York, that he is engaged in the business of steel New York, that he is engaged in the business of steel and copper-plate engraving:

That Scrofulous Afcotions have been heir-looms in his family and hereditary; that all of his immediate relations have been more or less afflicted with it, and that he has not been free from the disease at any time since his earliest recollection, that being in much bodity pain, and prevented from attendance to business, he tried many of the physicians, but found no substitutia relief.

That about three months since, Dr. John Bull's Screepardite was recommended to him as possessing some qualities which would relieve his difficulties and purify his blood;

That after using this medicine for a short time a feel-

qualities which would relieve his difficulties and purify his blood;

That after using this medicine for a short time, a feeling of improvement was manifest, and from that moment to this, a gradual but steady sitvance has been resilized, and he is now, not only entirely free from all pain, but is smalled to give his business all sattention, and is enjoying better health than he ever believed was in store for him; That he has also used the Sareapurella of Dr. Bull in his family with nimitar results, and believes it to be the best purifier of the birest that can be used, and as a gental to be an additional and the second problem of the provided of the most positive confidence, second mend the use of this medicine to all who may be similarly afflicted.

And further this deponent saith not.
