Chi My Corne-Ganfound the Gobbiers. The newsi the newsi have yes beard it, the bast of news, That WILCOX & NORTON have a lot of new shoes? They are at 10, as you know, H. Brown's new block, Where the aread is rushing to see their new stock.

Their shalves are lined, from seiling to floor, With shoes, new shoer, as we said before With shoes of all sizes and of every hue, Red, green and black, and a beautiful bina They have shoes, such as Panias the fairy wears, White satin and gilt, a few elegant pairs, And to match, they've a large magnanimous beet That would scares pinch the carns on a giants foot. They've rabbers so pulished they'll mirror the face That stoops to admire the pedals they grass, With buskine and gaiters of a finish so noat That all who behold pronounce them complete

They've slippers so easy they'll mollify pain -Caused by tight fitting boots, the bachelor's bane; They've stogas and brogans of Calcutta kip, With seems that are warranted never to rip. They have shoes at prices astoundingly low, And their customers, all, astonishment show, As they learn that shoes can truly be hought For a sum far less than they ever had thought. They have-what have'nt they for a might of gold?

The sum so paltry it scarce can be told! They have what will cover all soles unclud, and make them go on rejoicing and glad, And with them they've Corran-the man you well know, That he'll fit one exactly, beel, instep and toe; 'Tis said that he fits from morning till night, But seldem a shoe that's too house or too tight. The honey's so scarce in our neighbor's little hive, That the poor eld drones are hardly alive, And ere frosty autumn its course hav run. They'll have flown to a clime that's nearer the sun.

But at No. 10 there is honey enough, If you think I say it just for a puff, Just stop for a moment-watch the bees in their hive.
