of the latter, for a short distance over the Pennsylvania, road, and for the entire length of the Harrisburg and Lancaster and the Columbia and Phi adelphia; but it could have but little if any power to divert business from either, Its western terminas on the lakes, is found at a point where the influence of our present channels of communication with the south-western and western portion of Pennsylvania with the south-western and western portion of Pennsylvania with the south-western and western portion of Pennsylvania and the Lakes. unia and the Lakes. And it that route is good for a Canal, it is equally good not better for a Railroad. That was the day when Canal

were tashionable. Experience has taught those along the route, and those who desire to penetrate the riches of the Northern interior of Pennsylvania, that a Railroad is the venue that must convey them ! avenue that must convey them from our metropolis to the Harbot of Ene and other points in the West.

From one end of the Sunburt sad Eriz road to the other mineral wealth is inexhaustible—from and coal is found in the greatest abundance—forests of immoning growth line the route, covered with the most valuable timber—streams of where grigate the whole country, and you scarcely see any of the land that tails to strike the beholder with admiration. Mr. Watts further advocated the early completion of the road to the harbor of Erie, and closed by submitting the following resolutions:

mitting the following resolutions:

1. That the early completion of the Sunbary and Eric Ratiroad, through the territors of our own Commonwealth, binding the commerce of the Atlantic, by a short and direct ine with the North-western Lakes, and developing, as it ine with the North-western Lakes, and developing, as it advances, resources of mexhaustible mineral and agricultural wealth, is of the highest importance to the growth and creatness of Pennsylvania and her Eastern metropolis, and calls for the earness and never the control of the carear and the control of the carear and and calls for the earnest and patriotic co-operation of all good citizens.

2. That we have heard with unmingled satisfaction th

particular, full, and candid statements presented in Report of the President and Directors of the Company. meeting their engagements.

3. That the Harbor of Erie, as a work of nature, is univalled by the art of man for its convenience, commodione

ness and salery, and as we are indebted for its acquaition by pure have from the Federal Government, to the forecast and sound policy of our forefathers, as a Pennsylvania harbor, so are we bound to regard it, and earnetly to recomof her own State. But withtout reference to the latter mend that it may be made practically useful by the conseniorement, the distance from Eric to New York, through this city, would be no greater than by the New York their road extending from Eric to Warren, and thus assure. our brethren of the Lake, of the realisation of their long

Report for the completion of the road by a "Consummation Sinck," and we recommend that the President and Managers of the Company adopt the necessary measures carry the proposition into effect.

Judge Kane said-I congratulate the friends of this pro ject upon the singularly favorable anspices under which this meeting is held. I shank you for the kindness of inbegget business relations extending through the was be west viting me to participate in its proceeding. I feel justified son. We are aware that the meagre amount of terminal in tendering to you, sir, (to the President of the Company) now found at the Harbor of Eric has been made the bases; the thanks of every friend of the project, for the eminently of satire upon the pretension of that point. But prepares a proper exposition you have made of the policy and wants of the Company It is many years since I first became | 8 Flourney will be the Governor elect of Viracquainted with the policy which indicated a railroad beoffine by a materity runging between five and ween Erie and Philadelphia. I had proclaimed he was easily favoritism, at the expense of the Government, in | shone upon.—Elmira (N. Y.) Republican, 18th. conquered. I knew the rock of defence—and purchasing coal for the use of the stip. It will that rock was the adomitable Democracy. - be observed that this was not a "Court Martial" Wise then briefly gwe an account of the tra- if sufficient facts existed to warrant a trial.-Notwithstanding San had achieved victories in of one of that body were in question; and it is proper here to state in this connection, that the of secret ballot, but becould not survive the vi- no harsher term,-to offer their uncalled for adva soce of the people. (Applauso, and cries of vice to the Secretary of the Navy, that "for future peace and harmony Engineer Rutherford jail. newed applause.) I ms told by my friends, and be detached and ordered to other duty." Now now tell you—(Here te confusion was so great | mark the result. After a careful review and that the remainder of what Mr. Wise said was consideration of the subject, the Secretary of the Navy refused to approve the finding of the Court, in a well. truction of religious livery, but they would tram. consuring that finding in the most contemptuous ple on the freedom of the pen and press. (Ap- manner. The reason for the Hon. Secretary's not be saved. plause and disapprobation.) I tell'you, you have conduct is obvious. The testimony taken before found your master in a purified majority, which the Court was obliged to be transmitted with the ruptions and various cries mingled with applause.) concilable. This is the "other side" of the Court had been examined and passed upon by

Our whice neighbor "round the corner." with "Sam" proclivities, feels decidedly "out of sorta" over the result of the Viginia election .of Mr. Wise, and chering by his foes) I thank He was foolish enough to stake his political reyou from my heart he ironically said, for your putation (a small stake, we know) upon the consolation he can find is that: "The Administion may rejuice—the Democracy of both the would appear is not tollersted. (Mr. Wise was North and the South may rejoice-but they will here silenced by the groams from the Know No- probably find in time that a victory achieved in the name of Henry A. Wise is rather a precarious basis upon which to rely for future success." Said the Fox, after vainly trying to stretch himcountry. I leave to conservative whigs and in- self out long enough to reach the grapes overthe Allies, are being materially augmented, and denitable Democratate say whether this diagrace head, "Well, well, it's no great loss; I'm not very fond of grapes, besides, they're very sour!"

> Our neighbor "round the corner" is undoubtedly the "original confidence man," or at least, his first-cousin. He still has "confidence" in Pollock-still has "confidence" that "our bill" is'nt it his "breeches pocket;" and still has "confidence" that this community swallow all his fri-Nothing-Sign-Nothing-Excellency. Unportunate "Sam."-Like all illegitimate

children, "Sem" is born to misfortune. He has been Hiss-ed in Massachusetts, cheated in New York, winter-killed in Pennsylvania; and now most unmercifully beaten in Virginia; but worse, of many thousand dollars were made here at the streets lamenting their infatuation and burning Know Nothing returns." Unfortunate "Sam."

A Binghampton paper mys the extraorhis mester's crib."

The Editor of the New York Land most a new story by Fanny Pers, w greenly for that paper, which will be eq ed about the first of Jums, The will in very attractive feather, as the story is not to be published in a book. We hav'nt a very exalted rotaton of Farmy since we read "Rura Hare," still we know she has many admirers to whom this announcement will be thrice welcome. The Chicago, St. Louis, Dubuque, and Cleveland, 12 M. und Published by R. Bonner, 120 Nassau 36., New

The Gazette names the members of the Whig County Committee, and calls upon them Wattpburgh, Tuesday, Thursday and Sa M'Kean Edinboro and Mendville, 12 M. to adopt "suitable measures with reference to a whig county organization." Had'ut the gentlemen named better wait and see whether the Governor signs that bill-because if he don't, a which 'organization' wont be worth "shucks" in Erie county. Besides, how many of the gentlemen New York, Ready Made Clothing and Merchant Tailorag named by the Gazette remain loyal to that organization. Not all of them, as we kno w by written acknowledgment, now in our possession!

The city of Cleveland has a law that exmy owner of a dog shall pay a tax on male ca- ing constantly on hand. Also a large atock of Gentlemer nines \$5, on females \$10 Had we such a law Furnishing secods, Rubber Clothing, &c in this city, the number of dogs would be greatly large stock of goods constantly in store, comprising all the
