in proportion, and the advertisements must be proportion, and the advertisements of the advertisements required in advance. Bills for yearly advertising will be preached half-yearly. A reduction of 10 per cent, will be made on all except temporary advertisements, when paid in advance.

"Should auid acquaintance be forgot And never brought to unind be proportion and course of the part of the proportion of the proportion and the public, high and low rich and proort in whose confidence we have so long and liferally behave days of and lang spine."

PRIMITE, sussemers and the public, high and low, rich and proort in whose confidence we have so long and liferally behave days of and fame and the public and should he containtly kept on hand by every family, respectably forchildren to use for could cought, as the mustations and fluctations, the changes and chances—varied and sad—that we, and our city have passed through we are still permitted to occupy our old location and position—just where we have been the last files year—and where we still have the pleasure of inviting those whose acquaintance we formed in days "langsyne". Observed and encouraged in our weary round to tool and duty, by so large a portion of the worth and intelligence around us, we hope to continue on in our old course, enchanges and continued in our old course, enchanges are considerations of importance in the business of over twenty versa, and a readence among the same people for over experience in the business of over twenty versa, and a readence among the same people for over experience in the business of over twenty versa, and a readence among the same people for over experience in the business of over twenty versa, and a readence among the same people for over experience in the business of over twenty versa, and a readence among the same people for over experience in the business of over twenty versa, and a readence among the same people for over experience in the past, as our experience in the business of over twenty versa, and a readence amon

TO KEEP THE LARGEST STOCK.

as well as the greatest variety, in our line, to be found in this city, "selected" and purchased in the houses of established reputation, and from men whose character is the best guarantee for the superiority of what they sell. And as the time, apparation and skill required to select and test each of the hundreds of articles, Mineral, Chemical, Botanical and Pharmacentical, of which our stock is composed, is more than we can commond, we prefer—as we think our customers will—the mode we have adopted as being the more reasonable and satisfatory. Hill, as the purchas articles, in the hindsof the unskilful or incompetent, may fail in efficting satisfactory results, we prefer that our activities prof, refer to those physicians—the most houseable of the profession—who rely entirely on us for their supplies—and whose success is abundant evidence that they know both where to obtain, and how to administer, pure and appropriate medicines. nedicines.

Our list of Patent Medicines is extensive, embracing all thos Our list of Patent Medicines is extensive, embracing all those usually called for in this community, many of them highly slocked, and much used—though not having a Regular Physician in our interest to test their quality and fitness, and being disinctined to undertake so in portant and delicate a duty ourselves—we cannot speak of their worthiness with that degree of assurance we otherwise inight. Our business is divided into the following cepariments.

Medicines, Wines and Liquors, Groceries, Window Glass, Glass Ware, Paints, Oils, 1903 Staffs, Parsiakes, Brushes, Perfumery, Fancy and Missially and

cellumous Articles.
Our stock of Medicines is very extensive, embracing every
article, Chemical, Mineral and Pharmaceutical in use by the
Regulars as well as those most commonly used by Botanics and onager member and Extracts.

Our Wines and Liquors are of the purest and best, selecte
purchased and kept for Medical purposes only, and warrant purchased and kept for Medical purposes only, and warranted to be as represented. In the Grocery department we are not extensive, but what we have is always of the choicest and best, persons particularly nice in their tastes, cannot fail of being suited.

In the Line of Paints, Oil, Varnisles &c., we are and long have been, the most extensive dealers in this city. Our list embraces not only a full and complete stock of materials for House, Coach, and Chair Painting, but also every thing called for in Portrait. Ornamental, Mexitinio, and other Pancy Painting, also Gilding, Bronzing, &c.

In Window Glass our stock is necessarily larges than all the

We believe the people to be the most impartial, as well a competent judges in the matter, and best know where their in terests are knost promoted. Hence the reason why our customers by far outsetnober, and our sales exceed by thousands thoo of any smilar entablishment in Erice—with this we are content. Eric, May 12, 1855.
