Before his deragement he had been very

sorts of ugly faces. They were idiote. From the male we passed to the female apartment. Here, too, we were met at the threshold by a smiling little orany girl, apparently not over ten years of age. She took our hand, looked up in our face, and smiled sweetly. Scarlet fever was the cause of her derangement. She is improving rapidly, and no doubt will be entirely estored before long. In the large parlor or sitting room a number of patient were at work, sewing, knitting, &c. As in the male departnent, various grades of insanity are at once no. ticed. The deepest distress was depicted in the faces of most of the patients. Some, however, appeared cheerful, and to all appearance, quite

rational. Others, again, were ranting and scolding. A young lady, some 18 or 20 years of age, attracted our attention. She was handsome, and of fine person. Her hair was braided, and her dress becoming, and in good taste. She had no appearance of insanity in her face or eye, and, had we not been told we could not have believed her a patient. When we were about leaving the roum, however, she commenced to laugh most immoderately, and her eyes rolled as she paged the room in the greatest excitement. She is an educated lady, of highly respectably family, has improved much since she has been in the hospital, and strong hopes are entertained that she will

of her deraugement of mind The institution, as we have said, is admirably ounducted, and we hope to see our State Legislature appropriate liberally to its support. The unand aid. Kindness to these poor creatures will have its reward here and hereafter.

THE BELLS IN GREENLAND. - Captain Hart. stein and his company, of the Relief Expedition, save the New York Evening Post, had an exocedingly gay time at Disco. They were waited upon promptly by the fairest ladies of the place, whom they entertained in the most acceptable style with butter and eranberry asuce. with which it seemed difficult to satisfy them. When they had exten all they sould, they inined the officers in the dance, in which they excel. The officers say that they had never seen have presented their minister with a tomb; a life ity. He is a bdy shree years old in June last, insurance policy, it strikes us, would be a much and weight 103 lbs.—in three feet two inshes in height, and measures 45 inches around the into a policy office. Then her fire the profit of the officers to find the firmer expeditions, the officers to find the firmer expeditions. It is has gone to New York for exhibition.

It is a bdy shree years old in June last, the grown and will be energette in forcing this semi-burdance will be energette in and all the mean in the room. That the people are sovereign, and the will of the people supreme, and whenever their wish is sufficiently made known through the ballot box, it is the duty of all good citizens to submit. and they who, from motives of gain or personal advantage of a legal quibble in order to defeat the expressed will of the people are not worthy the appellation of "law abiding citizens." and deserve

Resolved. That in depositing our votes in the old Court House we complied with the letter and spirit of the law, and acted in accordance with the rms prescribed by the act of assembly in all such cases made and prescribed, and we cannot conceive city should be deprived of their right to a voice to the election of County officers, and we most confidently believe that the Court, acting upon just and Signed by the officers.

DALLEY'S MAGICAL PAIN EXTRACTOR .- There never has been a discovery made in Meteria Medica, whereby pain can be so quietly allayed, and where parts

genuine DALLEY'S PAIN EXTRACTOR, is ever the same! How much Pain and Suffering may not thus be prevented! Moreover, Life itself is eften dependent upon having at hand the Genuine DALLEY EXTRACTOR, and for particulars for which I respectfully refer to my printed pamphlets, for the truth of which I hold myself respon-No case of Burns and Scald, no matter how severe, has
