ASTONISHING AND RAPID CURE

SCROFULA. We arguetly request our readers to read attentively the following statement presented to Dr. Josep Brit. last St. John's Day, by William A. Goldberg, Ed. of this sity, and solemnly sworn to before a Fublic Notary. It exhibits the case of a gentleman who has been afflicted by borotian from Alex corlings instrucy. He had completely enhancised the skill of the medical faculty of New York, and was apparently a documed man. A trial of Dr. John Bull's Fireld Entract of Sarraparella has given him beatth, and he now recommends to others that valuable and potent rement which has saved also from a position of the property which has saved also from a position of the state of the same property which has saved also from a John Buil's First Betrict of Savaparilla has given him besith, and he now recommends to others that valu-able and potent remedy which has axred Aim from a pre-mature grave. The original affidavit, to which is affixed the Notarial Seal of Henry C. Banka, Eag., before whom the deposition was taken, can be seen at Dz. Butll's prin-cipal office, No. 2 Courtlandt-street (Gilsey Building), Hear Broadway, New York.

WILLARD A GOLDBATTH, being duly sworn, pursuant to law, deposes and say, that 'p resides in the City of New York; that he is engaged in the business of stea and copper-plate engrayment.

That diverginous Affections have been hetr-tooms in his family and hereditary; that all of his immediate relations have been more or less afflicted with it, and that he has not been free from the disease at any time since his carliest recollection; that being in much bottly pain, and prevented from attendance to business, he tried many of the physicians, but found no substantial relief.

That about three months since Dr. John Bull's Sursaparalla was recommended to him as possessing some qualities which would relieve his difficulties and purify his blood;

qualities which would relieve his difficulties and purify his blood;

That after using this medicine for a short time, a feeling of imprevenent was manifest, and from that moment to this, a gradual but steady advance has been realized, and he is now, not only entirely free from all pain, but is enabled to give his business all situation, and is enjoying better health than he ever believed was in store for him. That he has also used the Biescaparilla of Dr. Bull in his family with similar results, and believes it to be the best purifier of the blood that can be used, and as a genuit to the state of the medicane residence of the small tonic medicane residence of equal.

That he can and does, with the most positive confidence, assummend—the use of this medicine to all who may be similarly afflected.

And further this deponent saith not. And further this deponent saith not.
