Anti-Hohmska

The last name which has been adopted by the opponents of the Demogratic party is that of "anti Nebraska" men. Under this convenient cloak they make all kinds of isms—the abolitionists, the Know Nothing, and the disaffected politician, who calls himself a Democrat, and still lingers in the twilight of antagonism to the Democratic party, without seeing that the shadows are fast members of which claim to be elected upon that of the old license system, nor of the friends of House of Representatives, in a reporter's desk, gathering around him, and that he must soon be lost entirely to those whose name he claims.

There is not in this name of anti-Nebraska one single element except that which contemplates Greeley as Engineer, could not bring in enough served to sap and undermine the foundation and owing, it is said, to the tightness in the money has been long in preparation.
