For a Foul Stomach, or Morbid Inaction of the Boweis, which produces general depression of the spirits and had health, take from four to eight Fills at first, and smaller done afterwards, until activity and strength is restored to the system.

For Nervousnes, Sick Hendache, Namea, pain in the stomach, back, or side take from four to eight pills on going to bed if they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear those and their kindred disorders because your stomach is foul.

For Scrofinia, Erysipetas, and all diseases of the skin, take the pills freely and frequently, to keep the boweis open. The cruptions will generally suon diminish and disappear. Many deadful titlers and sores have been healed up by the purging and purifying effect of these pills, and some diaguating diseases which seemed to naturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients' your duty to noticty forbids that you should parade yourself around the world covered with pimples, bleeches, uicers, sores, and all or any of the unclean diseases of the skin,

invered heretofore, and having excellent conveniences for storing, and CASH to pay, the subscriber hopes to see all his old customers and as many new ones as possible.

Sept. 22, 1855—19

TERM 8: Por full course—time uniformed—actuding all departments of Book Keeping, Lectures and Practical Penmanship
Por same course in Ladies department
Persons taking Penmanship alone will receive twenty

Agreed upon.

For instruction in Business Arithmetic only, as per agreement.

Till Design of the Institution is to afford perfect facilities for acquiring in an expeditious manner a thorough knowledge of Commercial Science and Ari, as practically employed in the counting isona and Business pursuits generally.

The Moch Kasping Department is under personal superlaten dence of the most accomplished Accountants and Teachers, and it is betieved that no Meicantile College in the United States possenses superior advantage for imparting a thorough and practical knowledge of commercial science.

The Cottegrate Course will embrace the most approved and practical towns for heeping books by Bouble Entry in the various departments. Trade and Commerce, including General Wholesale and Beant Mercantile Exchange, Commission, Manufacturing, Mailroad, Banking, Frinting, Mining, shipping, steamboating, Individual Partnership, and Compound Company Business. All manuscripis from which the student copies, are written in a bold, rapid business hand, which will serve as a great Auxitary in securing to him an excellent style of writing Duity Lectures will be delivered upon the Ecience of Accounts, Edmanship, Practical and Ornametual Thics, Raifroading, Business Correspondence, Mining, Commercial Calculations, Edmanship, Practical and Ornametual, will be taught in the most effectual manner by Luak, Spencer and Cooper, gentlemen of the highest accomplishments, as systematic and rapid hustiness Correspondence, Mining, Commercial Chalculation, and provided the present year. We guarantee to impart to our patrons to a more general extent than is done at any similar institution, a band writing in every respect adapted to business pursuits. Gentlemen and Lades destring to qualify

Almortems cooking Stove T is stove has no super or and is warranted to be a sold and the sold an but that in those common complaints, ills and accidents, to which all families are liable it is much more useful and imply portant than Armini for which of late years there has been quite a rage, but the fact that it less his strength by drying and can therefore only be used for a short time in the year has excluded it from more general use, as but few know how or have the means to extract and preserve its Medicinal properties so as to have them in time of need.

This excess however no longer exists—and it can now be had in its full strength and power extracted when the plant use in its full strength and power extracted when the plant was at its full maturity—and combined with other Vegeta-ble Extracts and Olis in such proportions that the Compound in the most certain—effectual PAIN DESTROYER ever efered in the community—and one that can be used wit how many ways and cases it may be used to advantage— those who know the weed need not be told, and those who are not acquainted with it require only a trial of it to be short Diseases, relieve Pain, throw off Colds remove obstruc-tions—prevent the use of other medicines and save expense Let those then who have families obtain a bottle of the Ex

tract, sold under the name of Carter's

Morb Linement and Pain Subduerand give it a fair trial, and our word for it, they will never after willingly be without. Try it, then, isrmers, on yourselves when you have taken Cold, when you are Chilled and benumed, when you have Aches and Pains, Stiff Necks and Stiff Joints, Chillblains, Rhoumatism, Sciatica, Sweeney or Swellings. Try it on your wives and children when they are suffering from the effects of cold or obstructions, try it as a Liniment on your horses and cattle, and then say if it is not just the arric you need to keep on hand. It costs but 25 cents a bottle or five bottles for a dollar. Prepared and sold by CARTER & BRO.,

(From the Yest) DEC American, GOOD NEWS! GOOD NEWS!!

Brie, Nov. 24, 1855.-28

Those of our readers who have not tried that valuable preparation known as DR JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA, for the cure of the very many diseases with which manked restimantal forwarded to DR BULL a few days since, by JACOS OF FERNEL Keq., a gentleman long connected with French's Hotel of this city, and extensively known as a man of anhiemished triegrity, who would not endorse any medical preparation whatever, unless thoroughly convinced of its effloacy

French's Bolel, New York, December 6, 1854. John Brill, M. D.—Dear Sir: The immense practical benefit I have derived from the use of your Field Released of Saraspurilla indices me to recommend it uncertive all who, like myself have been subject to that distressing maindy. Complaint of the Kidneys I have bound your preparation all I could desire, and regard it as one of the best remedies within my own personal knowledge. Sincerely grateful for the besith I have secured through your immediate agency. I begienve to subscribe myself.

> JACOB G. PRENCH. True American Office, New York,)
> December 8, 1854

Very respectfully, years.

Da. BULL, No. 9 GILBER'S BUILDING, NEW YORK-Da. Bull. No. 2 Gillari's Bullding, New York—
Deer Sir. Being personally sequained with Mr. French,
I take pleasure in superaiding my corroboration in testimony of the cure effected in his case through the instrumentality of your invaluable compound. Having personally availed myself of the curstive properties of your
field Estruct of Surseppertile, particularly in the junification of the blood and the consequent anticipation of
those universal deorders stiendant upon the changes of
the session, I would cordially recommend it as a family
medicine which should be maintained in every household. A remarkable instance of the influence of your
remedy upon the restoration of the frame, and the sil-but
miraculous resuscitation of a body weakened to the last
degree by the accesses of saimal indulgence, occurred in
the case of an eminent manufacturer in this vicinity,
whose modesty, and net want of inclination, precludes
him from a publication of the detailed circumstances of ble afflicting disease, which threatened to determine into a cettled case of premonitory leprost. I am assured by him, that by the use of your Flued Extract, he has been

ASTONISHING AND RAPID CURE

SCROFULA We urgently request our readers to read attentively the following statement presented to Dz. John Bull last u. John a Day, by William A. Goldenith. Req. of this ert, and solemnly sworn to before a Public Notary. It exhibits the case of a gentleman who has been afflicted a Scrufula from his excited infuncy. He had conjuctely solutated the skill of the medical faculty of New York and was apparently a doomed man. A trial of Dr. Jun Bull's Fluid Extract of Saraparilla has given

STATE OF NEW YORK CITE AND COUNTY OF NEW YORK, WILLARD A GOLDSMIT, being duly sworn, pursuant blaw, deposes and says, that he recides in the City of New York, that he is suggaged in the business of sizel and copper-plate engraving;

That Scropulous Affections have been heir-looms in its family and hereditary; that all of his immediate readions have been more or less afflicted with 't, and that he has not been free from the discuss at any urise since has rariest recollection, that being in much bodily pain, and prevented from attendance to business, he fried many of the physiciana, but found no substantial relief.

That about three months since, Dr. John Bull's Saranparolla was recommended to him as possessing some qualities which would relieve his difficulties and purify in blood.

ing of improvement was manifest, and from that moment to this, a gradual but steady advance has been realized, and he is now, not only entirely free from all pain, but is smalled to give his business all attention, and is enjoying
