The Eric and North East Relirond bill was

then returned to the House for its concurrence in the amendments. The House took up the amendments, non-concurred in by the Senate, to the supplement to the act to incorporate the Eric and North-East

Railroad Company, and after they were read, receded from them. A message was received from the Governor informing the House that he had signed the supplement to the act incorporating the Miner's Bank of Pottsvile, the supplement to the charter

Company. The appropriation bill and other bank bills were not in the list. A motion was then made and agreed to that the House adjourned sine die.
