THE PENDULUM.
BY C. W. BRIDGES.

had deprived him of his realization of happiness... The son of obscure emigrants from the Old World, his first unhappiness was to be left an orphan at an early age.

country's cause were unrelenting and effectual. His sincerity was proved by the sacrifice of his entire fortune; for the conclusion of peace saw him a beggar, the result of his hard earned possessions.

A Disputed Point, and how it was Settled.

From the Boston Evening Gazette.

that moment chosen to spy a forty foot ladder lying beside a building under at hand, upon which some mechanics had recently been employed, and the thought of its use as a means of effecting an entrance at once suggested itself to his fertile brain.

THE PENDULUM.

BY C. W. BRIDGES.

Deprieved of the very necessities of existence, he was driven in the midst of winter to sleep with but a single threebar covering, on some hay, in a barn.

They were standing, which announced it to be the proprietor of the bowling saloon standing in a bowler's apparel, with a look of mingled rage and shame.

Having destroyed four steaming tumblers of punch, the proprietor of the party adjourned to the parlour, and the party adjourned to the parlour.

It was a pity that the party had to adjourn so early, but the proprietor of the party adjourned to the parlour.

THE SILENT HUNTER.

A rare fertility characterizes the Kentuckian State as it verges southward on the land of Tennessee.

Destiny—The Emperor of the French.

At the present moment when the birth of an heir to the French Empire, and the rejoicings in peace are so fully before the public, the following fragment from Allan Cunningham's history of England will be found singularly interesting.
