loves you, and pessionately too."
"That's his look out. I am not likely to love him. And you may also have seen, while you were taking you observations, that he did not address to me a word improper for a married woman to been. He never has. I affirm it." "Adela, don't run on so, your excitement carries you nway. And I think you take a wrong view of things. If it is not improper

for a married woman to listen to love vows "He never has offered such-dared to offer such," interrupted Lady Adela. "Don't I tell it you?"

"Well, well, he looked them, then. I am astonished Mr. Grubb has put up with it so long."

"Put up with what?" fired Lady Adela. "There has been nothing to put up with. And oven he is not fool enough to-" "Oh, Adels," interposed Lady Grace, "your husband is no fool. He is generous, noble, in-

tellectual; appreciated by all but you. It is a most lamentable thing that your child died : had it lived, it might have knit you more closely together. Or that you have not another." A crimson flush rose to Lady Adela's features. "I do not wish to have a child of his."

"What made you take this aversion to him?" wonderingly inquired Lady Grace. "I persuaded myself into it. I was resently against you all for forcing him upon me, so I thought I would visit it on him. I steeled my heart against him, and years have ripened it? "Well, however it may be, you must give up this popsense with Charles Cleveland. There

for him." "Incorrect, Lady Grace. I did care for bim, and enjoy his friendship amazingly.
What I said was, that I did not love him, and florists is to produce something as much unlike

can be no objection, as you my you do not care

"Call it flirtation, don't call it friendship," wrathfully retorted Lady Grace "And he must be as devoid of brains as a calf, to attach himself to a married woman. What can be expect by it? You must give him up. Adela. How differently from you Mary and Frances act since they were married!"

Must! That is a word I do not understand Neither you nor Mr Grubb will make me break with Charles Cleveland I shall go into it all the more to spite you." "If I were Mr Grubb I should beat you,

"If!" scornfully echoed Lady Adela you were Mr. Grabb, you would do as be does. assumed indifference. Do you think there are its divergence from its original beauty or symnever moments between us when he betrays it? What made him raise the fues about Charley Cleveland, just now, but jealousy?"

"It is a positive diagrace to have one's married sister's name coupled up with a flirtation," grumbled Lady Grace "The Revered Dr. Short -heavon knows how it came to his cars-hinted at it to-day, and-"

"There it is?" shouted Lady Adels, in glee, "the murder's out! So it is you who have been putting mamma up to complain to Mr. Grubb! You are casting your eye at that sanctimonious Dr. Short, and you fear he won't east his to you the bound you have got a mangary sister given to flirting. Oh, Gracie!"

is going to be married to Miss Greatlands."

characterised it throughout the interview—"do not say you are going there! There has been not say you are going there! Chinese Herticulture. BAYARD TAYLOR, in his recent work on China and Japan, gives the following account of a Chinese Floral Exhibition which he attended: "One day I attended a native horticulture exhibition, which was held in old temple within the walls. The open courts of the building were fined with rows of flowering plants, in earther pote and vases, which were also arranged in cirble and the truth of the anaerton. The public will all will continue to all the truth of the anaerton. The public will are also are also after a summer and will continue to the truth of the anaerton. The public will are also "One day I attended a native horticulture excles around some weak fountains in the centre.-There were some fine specimens of the mautan, There were some fine specimens of the mantan, or peony, white, pink and crimson, and with an odor very similar to that of the rose; but the in the hands of S. M. Smith, Esq., for settlement, and demost admired flower seemed to be the lan-whei. most admired flower scemed to be the lan-whei, a bulbous water plant, with a blossom resembling that of orchids in form, yet of a dirty velflorists is to produce something as much unlike nature as possible, and thus this blossom, which for aught I know may be pure white, or yellow, in Its native state, is changed into a sickly, mongrel color, as if it were afflicted with a vegetable jaundice or leprosy. There was a crowd of enthusiastic admirers around each of the ugliest specimens, and I was told that one plant, which was absolutely loathsome and repulsive in

its appearance, was valued at three hundred dol-The only taste which the Chinese exhibit ars to any degrees is a love of the monstrous. That sentiment of harmony which throbbed like a musical rhythm throug the life of the Greeks, never looked out of their oblique eyes. Their music is a dreadful discord; their language is composed of nasals and consonants; they admire Why, Gracie, girl, he loves me still for all his whatever is distorted or unnatural, and the wider metry the greater is their delight

CRANBERRIES -- For some years past, I have been making experiments in raising cranberries. The plants that I have set have all been taken from wet ground At first I set some in the garden, they lived a few years, but bore no fruit. Next I put some in a cold springy place in a meadow; they did not flourish, but disappeared in a few years. I then tried in a wet, spongy mose, they grew thriftily, and bore fruit abundantly. Lastly, I set some on the tun of a bits grandly unit, so united that nothing also Dr. Short, and you fear he won't east his to you if he have you have gove a naugusty suscer given to firting. Oh, Gracie!"

"You are wrong, you are wrong. Dr. Short is going to be married to Miss Greatlands."

"Well, there's something of the sort in the wind, I know. If it's not the Reverend Dr. Short, it's the Revered Dr. Long; so don't pout, Gracie."

Dancing across the room, Lady Adela rang the bell. "My carriage," she said to the servant.

"It has been waiting some time, my lady."

"Where are you going?" asked Lady Grace, sure some time, my lady."

"Where are you going?" asked Lady Grace, sure some time, my lady."

"Where are you going?" asked Lady Grace, sure some out in the tongth the present of the fourth year the first year they grew a little. The third they set out runners, and bore in the tended themselves in every direction so as nearly to cover the ground. They blossomed fully and bore a medium quantity of fruit. Having lived through the greatest drouth that we had ever had, (last year.) I consider them acclimated, and adapted to the place. From these experiments, I have come to the conclusion that the best place of cranberries is a spongy moss, where there is just water enough to keep it moist. The next sure into the sure in the sure "Where are you going?" asked Lady Grace, surprised.

"To Lady Sanely's."

"To Lady Sanely's!" echoed the elder sister. Then, after a pause, "Your husband did not know you were going there?"

"Do you suppose I tell him what my engage. "Do you suppose I tell him what my engage. "Oh, Adels!" uttered Lady Grace, rising from her seat—and there was a pieroing sound of orief in her tone, deeper than any which had the suppose of tell him what my engage as suppose of the supp
