JAMES BUCHANAN, OF BENNSYLVANIA FOR VICE PRESIDENT. JOHN C. BRECKENRIDGE, OF KENTUCKY

DEMOCRATIC STATE NOMINATIONS

GEORGE SCOTT, Columbia Co. AUDITOR GENERAL,

CANAL COMMISSIONER,

JACOB FRY, Jr., Montgomery Co. SURVEYOR GENERAL,

TIMOTHY IVES, Potter Co.

Topics of the Week.

The Weally House in Harpess.

The pie-bald convention of sore-heads, known as th Black Republicans, an session this week at Philadelphia, have concluded their labors by the nomination of Col. J. C. PREMORT, for President, and Hon. WM. L. DAYTON, of New Jersey, for Vice President. Thus it will be seen that the "woolly horse" of the Rocky Mountains has been hitched to an old fogy Jersey wagon. The strength of attack to an old togy Jersey way. The strength of this team may be inferred from the fact, that although the strength of the same who believe there is a principle at issue—by an Eric County Republican.

The county Republican.

The letter is dated—

The letter is dated wagon is vory light, yet it is mu h larger overv way than the team. But joking aside; what a farge is here played out! The charges against Polk and Pierce, which these they cheerfully yield to them their co-operation. The "shrickers for freedom" were wont to harp upon, were their inexperience as statesmen, and their want of antecedents whereby an intellment constituency could ascertain dents whereby an intellinent constituency could ascertain

"But, in our epinion, it matters very little whether "new
their qualifications for the high duties to which their party
men" or "old men" appear in opposition to Mr. Buchanfriends had nominated them. And yet those gentlemen an at the coming election. That gentleman will as assuredly had lang assumed prominent positions, and had taken an be elected President of the United States as that the Ro Congress and the country. Not so with Col. Fremont. will unite the votes of all those who leve the Union, is will unite the votes of all those who leve the Union, is He is known only as a very successful explorer of the Rocky Mountains, as well as a very successful land speculator. Politically he has no anticedents, unless the fact that he married the daughter of Col. Benton gives them to to the one will follow the other as certainly as that United States Senate, when Cal-forms was first admitted, but he left neither record nor name behind. The New York Commercial Advertises is right when it says, Col.

Fremont is, doubtless, what a friend describes him to be—

approximate the agricating questions which have, for years, convulsed the Union. His election will disperse the Black Republicans in every direction; it will present the political propose to the country; it will blast forever the political approximate the country. Rocky Mountains handsomely. But he is positively without antecedents as a statesman. His past career giver no or our right of judgment in all matters connected with evidence of his opinions on any political queetion." The public affairs, we cannot forego the opportunity, at this ides that the people of the United States will place such and all those who may have placed confidence in us in a gentleman, "bright, enterprising young man," though days that are past, the propriety of espousing the cause has in the Executive chair of this great republic, is

his career in the Senate does not show him a brilliant far as practical results are concerned, no other parties man, yet it shows him to have been a very conservative. respectable, old fogy Whig, and hence how the "Shrick A Story with an Application. ers for freedom" in Philadelphia came to exhume him at only had time to examine one year of his Senatorial career, 1848, but in that one year we find enough of "old fogy" of most of those who cannot swallow anything politically unless it tastes of "wool ". Here is Mr. D.'s recoed for 1846 .

Congressional Glube, page 619, April 11, 1848, in his remarks on "California Claims," Mr. D. Buid he "disclaimed any alliance with Abolitioniets, and enlarged a little on the misanderstanding between the North and the North on the exciting topic of slavery,"

March 8d. 1848. Mr Davton to presenting the resolutions passed by the legislature of New Jersey in laser of that could have been paid to his integrity, and the poerest the construction of a rathroad from Lake Michigan to the to the vigitance of the city authorities. The latter cleaned Parific ocean, took occasion to give that project the cold

April 25, 1848, Mr. Dayton defended the railroad money oly of New Jersey against an attack made upon it by Mr. Clayton of Delaware. See Congressional Globe, p. 676 July 26, 1348, Mr. D. voted against the bill ostablishing a government over the territories of California, Oregon and Now Mexico.

August 5,1848, Mr. D roted against an appropriation of \$30,000 " for continuing and completing the surveys and explorations to be mail by JOHN C. FREMONT in Oregon and California."

August 8th, 1848, Mr. D. said the question of Free soil and slavery were not the great questions of the whig party.

the question was taken on the amendment embracing the Missouri Compromise, and it was decided, year 33, mays 21, and in the negative is the name of Mr. Dayrov.

Congressional Globe, page 1661 Verily, is not Mr. D. a capital candidate for these "free

word to . 3 , and although we might differ with those yet it bears within itself sufficient evidence of its authentithere assembled in regard to the means to be used to city, that will be perfectly convincing to all except those mash to denounce monopoly as to put on foot a scheme to reduce the vote for the nom need of the Cincinnati Conention in Erie County. That this was the real object is apparent from the tenor of the resolutions-one of them recommending separate political organization upon county officers-another instruction a committee to address the peveral candidates for National" offices as to their views and positions in regard to the Brie question;" but they then "revolve" a malicular and malignant slander man the Krie Oberries, the only Buchanan and Breckendars paper in the county. To be sure, all this is covered by an anti-railroad cloak, but like the ustrich, when it rans its head under a hush, and vainly thinks it is entirely met of night, any man not purblind can see that rail road tion, why was the Pred deutial question lagged in at all, the hen crop in Millerrek a couple of years since! Again, why was the resolution passed denouncing the only paper in the county that supports Mr. Buchanan! And thou, ofter thus stabbing Mr. Buchanan in the dark, why was mather passed forbidding the publication of the proceed ings in the only democratic paper in the county? When mon most together to discuss matters of public policy in good faith, with no ulterior object in view - wheh, in short their metives are straight forward and honest—they ganirally are willing; nay, anxious, to have their conclusions and arguments laid before all classes of people; and as the Demagratic party generally controls legislation in this State, it would seem to us that, instead of excluding what they have to say from a Democratic journal like this, it Arould have been better policy to have taken measures to person the publication therein. But such policy did not sule this meeting. There was a wheel within a wheel-a power behind the committee greater than the committee ited and that wheel within a wheel, that power behind the committee, would not succeed in its darling scheme if

turns were not devised to prostitute the wheet for which the meeting was called to selfish cuds. Hence it was, that 'after covering the real design under an anti-raffroad closis, | pure fabrication. they proceed to pare the way for the formation of a party In the county in opposition to the Democracy; and then to hide that stop in the game, they resolve that the Demueracy sha'nt see what they have been at. The exense of on-and will not blind the Demperacy of the state to the mee. That cause, in addition to that aircody given, to as pinin as a pike staff, and is thing these are some men who took part in this schement with Mr. Beckenn's name in our local controvacy, with the try, is which the views of the Precisions have no more bearing lakes yesterday. She reports that while at Beaver Island the truth, or answath of this of to have the Demogracy of the State posted in regard to of his followars, by being about in the head.

their efforts to senbarrass Mr. E. in this country. Etnight with their "raulting ambition" hereafter; in which case the Democratic record of the seasty would be standing evidence against them. It was a piece of sharp practice we know, but it wont win. We have put them on the record, "large as life and twice as natural," and now we will see which will stand best with the Der the State, the Eric Observer, or those who malign it and attempt to destroy its influence locally, in order to satisfy the hate of Mr. Buchanan's personal enemy in this city.-We are done; it has not been a work of pleasure to reflect upon some of the gentlemen who took part in this attack upon us and attempt to embarrass the Democratic numinos for President; and if we have said that, which to them appears severe, let them recollect that they themselves threu the first stone, and that we are no Samer to bear a stripe without returning a blow.

To Old Line Whies. We have a good many readers who relaise in the Same contest will be between them and the Republican nominees. | the ountrary, kie family here, which is very numerous

most able and willing to assert and maintain that principle.

nomination of Buchanan and Breeksaridge. It says. active part in all the great questions which had agitated public survives the day of the election. A wise statesmatter what efforts may be made to combine other parties him. True, he occupied for a few months a seat in the night follows the day-will be halled everywhere as the "a bright, enterprising young man, and has explored the | periled the I nion of the States rather than give up their chances of preferment and office. A brighter day is drawning upon us: and, without giving up our principles all honorable means. As we live, we believe that nothing

We have read somewhere a story that is very applicable this late day is beyond our comprehension. We have just now It is to the effect that some years since in Philadelphia a celebrated attorney had especially signalise well known and influential culprit. The front of his house, which had been painted a light color, was disfigured from top to bott on, one night, in the most hideous manner! It must have been thrown on by a machine, as the m xture had he mproproced with considerable force quite up to the roof, and thence distributed regularly down in great dands and streeks to the parement! For months that house befront cleaned, and pronounced it the highest compliment new channe. As for the attorney it made his

been paid to our integrity," "and the poorest to the" cause | make their homes in Kansas, and become peaceable and leader. "As for the attorney, it made his fortune," and will receive the hearty welcome of all parties.

We publish in another column a letter written by Gov. REEDER to his private Secretary, G. P. Lowers; and we ask our readers to peruse it carefully. This letter, in connection with another in to days paper, from an Eric County Republican in Kansas, throws a flood of light upon the honesty of the Pres State party in that territory, and a full knowledge upon their part of the incendiary acts A meeting was held in Milliereck a low days since, the said the bloody consequences that has and will continue to them in the ultimate object they profess to have in view. derive this letter informs us that there is a determination But it was not to demonstrate this that we took up our upon the party of the pro lavery men in Kansas to refrain gon, but simply to expose what we conceive, taking the pub from any act of violence and to abide by the laws in all cases. And this is corroborated by the other letter

Democratic bleed in his veins, he would lit it out." This charge has often been made, and often antheritatively dethis sheard but malisious calumny :

Bo the Tribune not only dis-redits the tale, but it breadly

which, we are happy to be able to say, has, after hog coquetting with the harlot Abeliticaism, thrown itself lute

good until you hear another, and this is undoubtedly tru of the state of affairs in Kanons. According to the Blac tunate territory have all been perpetrated by the "border reflans," and that, too, in the name of Demucracy. Acsettlers," as they term themselves, which we presume means abolition emissaries sent on by the "Masmehusotus Aid Societies," are all saints of the first water, while the settiers who do not seen factor to these Yankes corrects tions, are very devils let loose, bent upon murder, riot and pillage. With people of "one idea," like most of the "shrickers for freedom," this version might pass current for a time; but the truth must altimately come out. We tained is now in course of realization. are far from believing that there have not been outrages of "old line whigs." They are men who recollect that it committed in Kansas by the people of Missouri along the ther are not ready at the beck of the Eric Gazette to forget | Reeder, Brown, Robinon, and the demagogues of that ilk, | New and Then. that fact, and join hands with them now to elect Fremont; are guiltless, the letter we publish below, and the letter of the speech of Hon. Wn. B. Runp, of Philadelphia, to be in another column, must unquestionably proves. The letfound on the fourth page of this paper. There are a great | ter below is from a young gentleman raised in this county, many in Philadelphia who like Exzn are going for Mr. and was written to a fri ad in this city. In justice to the Buchanan. Jostan Randall, Esq., whose name has been writer we will say it was not written for publication , but a tower of strength to the Whig party in that city in times | the facts it state, so different in their bearing upon the past, is among the number. And this tooling is not con- state of affairs there from the stories we are furnished by his party six months since, by becoming a candidate on and to Pennsylvania either. It is showing itself all over the writers of the Black Republicans, that we have pre-Buchanan and Breckentidge, on the ground that the the writer does not belong to the democratic party—on line Whig" answer? The Group: Floque the Union (as elsewhere stated) says sympathire, and some of them have acted, with the that fully twenty thousand old Line Whigs in Georgia will Republicans. With this explanation we invite the readvote for the nominees of the National Democratic party. ere attention to the following expose of affairs in Kauens in every point of view, ve' it is very er tout the various can in the contraction of the National Democratic party.

WTAFFOTT CITY, K. 7. June 4, 1856. I am well and have been so since I lef and fingers. Perhaps, however. I would have had as much had I been in Etie. There will be little, if any surreying done in the Territors will be little, if any surreying done in the Territors will be little. Erie. Not a day's sickness, but have had some cold toos ione in the Territory until an appropriation is made by tember. But enough of this, for I know you are impatient re have and no mistake. Think of Americans engaged face to face in a civil war, and what true American, a of good wen and true has been spilt upon. Kanans son to with impunity invade the sacredness of the fireside. The present war is not a war of Principle! For from it! It is might against right! I will not say that all pro-slavery men are law abiding citizens, or that the pro-slavery party have at all times acted judiciously or within the pale of the law; but as a prople or a party they deservedly have the at least I think I know, that your sympathies are in an opposite direction from mine: but that you may the bester appreciate the source of the Anna-recovery,") but to recollect the late war in your own town-the distegard of laws, the inflament or money, and the prevalence or human depravity. Here we have the hirelings of the incorporated Massachusette Aid Societies, kissed on by a pack ABOLITION FAVATICS and Nullifiers, such as Gibbings, THER, GREELY, & Co. And here they are bidding denonce to the laws of the United States, and aurcumning PRACEABLE CITIZENS. But four days ago SEVER peacesble cutizens in the town and vicinity of Ossawattamie were dragged from their beds at the dead of night, and murdered; and by whom? It was done by a company of those midnight murderers and Assassins, commonly known as Abalitionists' "U, consistency, thou art a fewel." This is but came a public curiosity. It was the town talk, and its cocupant was soon made a celebrity . He refused to have the reason to doubt them, as they came from good authority, J. B. Donaldson, from Illinois, the U. S. Marshall of Kansas, logether with four men that were with him, were wavinid in smbush and cruelly murdered near Hickory Point yesterday, while in the discharge of official business: lisroputable paper last Saturday. The author is not the their murdered friends and relatives. Companies of armosteurible Editor of that sheet, but a "well known and ed men are leaving daily for the scene of difficulties, and apfluential culprat." He dislikes us for the same reason woo to those Abelitionists who have the blood of pro slavethe Philadelphia "culprit" disliked the attorney whose ry men or children spon their hands. "Thus even handhouse "he disfigured from top to bottom in the most hid ed justice returns the poisoned chalice to our own lipa."—
sous manner," and hence he attempts to "disfigure" us by I did not come here to fight my fe'low men, but if needs be, ejecting from his smut machine all the pent up blackness I will be tound in the ranks willing and ready to defend of his putrid soul. And if such attacks continue, we have, and protect the supremacy of the laws. It is reported for no doubt that we, too, will become "the town talk" and a | a fact that there are 1000 Abolitionists crossing through "celebrity" At any rate, if we could, we would not have Iowa to this territory to assist their dear brethren in this our "front cleaned" from this baspattering, because we, wilr of Rebellion. My advice to them is to stay at home too, consider it the highest compliment that could have and mind their own business, unless their object is to comply.

Pittsburg and Eric Railroad.

posed routes of this road for the purpose of presuring 'material aid" to prosecute the work. This is as it should be. A just spirit of rivalry should exist in this particular. The friends of peither route should rely upon either its supposed superiority over the other, or upon any implied, or supposed promises of the parties immediately interested in the improvement. For instance, the friends of the Western route claim that it offers superior inducements to the rath of this is ascertained by competent engineers, the fact that it does is of no consequence; and then even, it will be of little avail if that superlority is not sustained by a liberal subscription. And the same is true of the Waterford route. Money is the all important element in mouring the location of railroads, and it would be well for the people of the last named route to understand this. We are assured that it is claimed by them that there was a private understanding last fall, when Finney was elected, that the read Bunting, who saw the wounds in Mr. Sumner's head that such arrangement shall be carried out. New if we we might rejoice to see our friends along the Waterierd route disappointed, for it is well known we, during that While contest, warned them to put ne faith in any promise of this gentleman's letter of an optation has appeared. The Com- i lieve now, that any such understanding was authorised by be dispersed; and all aggressive, parties from nercial is at apparent that Mr. Fillmure has virtually any one competent to do so. We, however, does public daty parameters to personal gratification; and therefore we the millitary force placed under the control of support as a Wing It therefore urges a Whig National must say we sympathin with the movement in favor of the Executive of the Territory is amply suffici-Convention to determine the course of the Whige in the the Waterfield rouse, and house are anxious that our friends on to enforce the laws and to protect the citizens in that victaity shall put forth all their energies to se- in their rights. core it. We know that they are able to do it, and we trust I further declare that in carrying out this The "out and Watte," who had a "good time" last they will. But they must be up and doing. There are Proclamation, no distinction or inquiry is to be work, in this circ over the nomination of dischange, are powerful interests at work to secure the adoption of the made as to party, but all persons of all parties not to be abased | Il indreds of the "same sort" are flock- other route, which will require great unanimity, as well as are to be treated alike under like circumstances. ing to his standard adover the Country. In fact, we a very liberal subscription to nounteract. We have mid doubt whether there was ever a numination that has poor- we sympathise with those who advocate the Waterford when any man of common sense knows that the subject of so acceptable to the people as that made at Cincinnati, route; and we do so, not because we have any personal or jects and all lawless violence within the Territe In Mr B's, and county, as we see by the papers, ever one | private interest at stake, but simply because we think we thousand "old line Whige" called upon him in one day, see that a road built by that routs will prove more benefi-and assured him of their support. And this feeling is not cial to this city than by the other. One reason for this is alone confined to Pennsylvania. The Georgia Flag a that while our city has access to Western Crawtord by the Union savs full 20 000 " old line Whige" in Georgia | means of the canal for a good portion of the year, we have will vote for the numines of the National Destocratic | no such communication with that part of the county through party. And the same may be said of Ohio. Une of our which the Waterford route rans. Then, if the Pittsburg Cincinnati, one of the most elequent Whig stump speakers seems to us to be the manifest interest of our city to make and in bringing offenders to justice, and in mainin the State, is out for 'Ond Buck." He spoke at Day. It accinoisely an Erie read, and this, we are fearful, enanct be if the Western route is adopted, because it will form a the harbor of Conneant than the harbor of Erie; and If ? he true, as we have always argued, that heavy freight like ble point, then it follows as a matter of course that by the construction of this road by the Western routs, we build up and give facilities to a powerful rival in the coal tende at Conneaut. By the Witterfird yours he such competiti is tavolved. The real cars will leave the mines and land their freight at Erie, z point equal distance between er in winter to choose either the Claveland market on the West, or the Buffalu market on the Bast. In view of these intimates that those who are virculating it know it to be facts it seems to us the manifest policy of the people of Brie, as well as that of the people along the route, to use every endeavor, either by liberal subscriptions or otherobliged to sentend with the adverse influence created by | the Sunbury and Eric read may, if the present manage. no-the construction of this read! An emission mathematican sately a second state a full signs. What sal for the purpose of preserving the peace and remarked that as the "solid men" of New a street was a trunk hold example. To such as the enforcing the laws of the Territory, that steps York were posted only of one kind of section. have been taken to disperse all unlawful million; that of cont per cent they gave their influence by organizations which are threatening the peace most frequently or chariarans with whom of the country and to disarm them should they of their ability could not fraternize. Some color to this statement is given by the "boosting ores " All civil officers of the Government are required up" which Wall street has so long given to the tradeciciane Waters, the beauty the ed to be vigilant in enforcing the laws against "savan" who keeps the electric wires; and is feternally informing us that we have had a thunder storm here, which was inevitably connected with an earthquake somewhere. Learned men in I further declare that all notices given to citi | Europo look on and winder whether this is a broad Yankso joke, or whether it is intended as

A Row in the Fusion Camp.

NEW YORK, June 19 The And Filan re Convention recovered this morning as the Apollo rooms, and after a brief consultation adjourned till 4 o'clock, when they will receive the report of their dil gation to the Philadelphia Convention

The steamer Catawoa arrived at the quarantme last evening from New Orleans via illavana . June 11th. There was no political news of interest stirring at Havana The machinery for the United States steamer

Merrimac was completed and was to be sent to \$150 Key West in a few days AFTERNOON SESSION -Mr. Richardson, of selection

Mass., presiding, announced the report of the Committee of Conference as first in order proceedings of the Convention, the matter of the interest the proceedings of the Convention, the matter of the interest the formation of their communication loss than Direction in the communication of the communication reciption of their communication by the Philadelphia Convention, and their conference with the Committee appointed by that Convention --It states that during that Conference they with drew the name of Mr. Johnson and re-nomin sted another as the Republican candidate, but the Republicans had entirely disregarded their rec-

ommendation The report recommended no

billy to declare. Mr Wilde, of N. Y, took the floor and began some bitter remarks concerning the treatment of the communication of the Committe had received at Philadelphia. Nothing, he affirmed, could be 25 d said against Millard Fillmore Their Chairman

FILLMORE BUCHANAN AND MCLEAN. - The of the report, and Mr. Wilde than proceeded to declare that he would not submit to such usage and should vote and work for Millard Fillmore. abroad as well as at home, are now pitted again-t. He spoke with greatearnestness and was enthusias-Mr. Williamson of Pa., said the men at Phila-

delphia had proved traitors to liberty and had ability and statesmanship of the leading cannil given the death blow to freedom in Kansas. He dates are concerned. Judge McLean, alone of denounced them as traitors, hypocrits and scounthe candidates that have been mentioned for the dress. He was in favor of nominating a clean Chauncey Sphaffer, of N. Y., said the Conven-

tion at Philadelphia had insured the election of more, he was in favor of adjourning to reflect upon the matter and then nominate new men. Mr. Calkins, of Pa., in a long speech declared his intention to go for Fillmore.
