THE FIRST QUARREL.

It was full an hour beyond the usual time. What could have happened? That horse, was sure, was not to be trusted, and going so near the railroad especially. O how dreadful it would be if he were brought home safe, or very much injured!

THE WAGES OF LABOR—Mr. Buchanan's Views.

In the memorable presidential campaign of 1840, one of the charges against the democratic party by which the people were deceived into the support of the whig nominations was the false allegation, that in advocating the independent-treasury system the democrats favored the reduction of the wages of the laboring man to ten cents a day.

THE WAGES OF LABOR—Mr. Buchanan's Views.

Mr. Buchanan regarded the United States Bank as the antagonist proposition, and on that subject he spoke as follows: "The Senator ridiculed the idea that the establishment of a new bank of the United States could be dangerous to civil liberty."
