JOHN C. BRECKENRIDGE. OF KENTUCKY

DEMOCRATIC STATE NOMINATION. CANAL COMMISSIONER,

GEORGE SCOTT, Columbia Co. AUDITOR GENERAL. JACOB FRY, Jr., Montgomery Co.

Democratic Convention Re-Assembled. The Hon Timothy Ives, having withdrawn his name of the Democratic State Central Constantion at the mental to the Rarrisourch a resolution was adopted to the Communication of the big Democratic state to meet at the time and place shove mentioned, and for the purpose JOHN W. FORNEY, Chairman

Constitution, and report officers for the permanent organi-"zation of the Club The business object of the meeting having been accomplished. Judge Thouse, www. called ! and conciliatory examination of the claims of Javes Dr. his achievements as an Explorer and Travelor, but he cardeficient. After the Judge hall concluded, the meeting adjearned to meet at the call of the Committee on Contitue | too. Bigier's Speech. tion and permanent organization

vote was taken on the Route of the Pittsburg and Erre | which most of our readers are cognizant of, that ought to road, and the Western route adopted by 33 may ray. This give weight to the political counsels of they. Biggin in will be a sad blow to our Waterford an i Meadville triends, this vicinity, and among certain interests, that is percented and we sympathise with them most heartily. Perhaps this, by no other speaker in the State. To that our expenses sympathy is selfish-indeed we are very certain, it is, he cially do we commend this speech. Let them read it, and cause we are well convinced that, for the interest of Erie, in doing of let them reflect where they and the eloquent and we are quite as certain for the interest of the r ad al. | speaker atood a couple of years sance, and then let them would have been adopted, let us add, it all the stock held he always stood - they attended in Brie-held, too, by men who are loud in their pro- Brown's Hetel, Eric. fessions of attachment to our local interest—had come forward and voted. We do not intend to be measly mounted
in this matter, because we know that under the assumed
garbe of protecting free interests, there is as base a ments were herrible, and the sleeping apartment latty. political conspiracy on toot as ever disgraced a county -- while the bill was anything but reasonable. Such a house and the withholding of votes for the purpose of letting the i is a a grace to any place, and travelers was seek. western route be adopted, when by voting, the Waterferd route would have pervailed—is a part of the machinery of the plot. The managers of this plot knew that, in the event of the Western route pervaising, the people talk agers where in short, where sendence are expected to the sendence are of the Southern towns would be much disappointed, and advantage. Hence it was that, while to of the Contract with the attention bestowed upon much at Brown's Hotel, "great usue," which is few months since, wi on Congresstors on the Sunbury and Eric road held stock enough to account for so gross a laber. And to prove that is label, men were to be elected, formed the burthen of the song of nexion with any party sorter. have overcome the 33 majority in favor of the Western and that the writer had some other maditive than the sustained by others who sympathise with them. We desired the Eastern route for the reason we have already grissen, and in addition to that, for the reason that if the Sunbary road should also adopt the Waterford route—a result, we undestrand more transparent.

And the record does not end here. Our readers have not longer that when the Fugitive State bill became a law larger road should also adopt the Waterford route—a result, we undestrand more transparent.

And the record does not end there can be longer that when the Fugitive State bill became a law the same men who are now howing over Kansas, howled the same men who are now howing over Kansas, howled the same men who are now howing over Kansas, howled the same men who are now howing over Kansas, howled the same men who are now how are sult, we understand more than probable—the two reads the comforts and luxuries of this Hotel, located at his could combine their Capital for furious or of floor miles, requests us to recommend the same to the public and thus strengthen each other. And not we are denounced house was built but two years since, is han factor, expect dence enough while here this week to enable them to properly discriminate between the friends and foes of their in-

> PUBLIC MERTING. \*

A meeting of the citizens of Greene township who are opposed to the aggressive policy of Ruilroad Monopolies, assembled at the Election School House, in that township, on Saturday the 12th inst. On motion, WM. B. WEED was called to the Chair, and HENRY B. Monse, appointed Secretary The object of the meeting was stated by P. F. I. Brown in a few portioent remarks, after which the meeting was addressed by Wilson Laird, G. W. Decamp, L. W. Oas, Smyth, and Wm. B. Wood, Esq., in a t relle and spirited manner.

The Chair appointed P. F. I. Brown, I C. Peltorn and Martin Pinney, a Committee to draft re-olutions, and the following were unanimously; adente.

Villen vs. We the citizens of Greene Township as know that our rights have been tramplel upon sy a Railroad Monopoly whose sole atm is tome at and rob us of our natural rights, by

terfine to until this is no small feather in his countries only, asking nothing but what is right and just, b. I'm dent of the United States. I hold that wrong, for we should be benefited by Railroads, structed to the prejudice of the citizens and in terests of the County and State, it is no longer a public improvement but a public nuisance, and the law of nature will remove all such. · Resolved, That we believe in no mediam course.

for all those that are not for the rights and interesta of the county and State are against them.
